The Committee just came off of a very successful fall Education series of Kiwanis International positional trainings and a specific Capital District session for our leaders / members (viewed by 100+ leaders). Our team did a great job of pulling together and updating materials for our live session. This session was also recorded for our 5 O'clock somewhere series and is available on our Education website and YouTube channel.

Items of Note:
- The Committee continues to build our library of videos / education materials. We now have almost 20 YouTube videos available on the Capital District channel for members to view / use for DCMs, etc.
- We will be reaching out to LTGs to ask for Educators in the West Virginia area now that everyone has gotten through start of the year activities.
- We will work on our 5 minutes That Matter Series during the winter months / early next year (small videos)
- We are planning to get our 'Leadership Sessions' up and running in the next ~2 months as a new offering with the goal of connecting more of our '21 - 22 Leaders together to talk about their issues / successes.
