KEY CLUB REPORT
NOV 2021-2022

We have chartered 1 new Club, York High School. This was a surprise since we have not had a Key Club for many many years. It is Scott Z's zone and he is now trying to find a sponsoring Kiwanis Club. However, 65 clubs did not pay dues and 25 clubs did not pay the year before. Club wise, we went from 232-207-142. That is 61% of # of clubs of 2018-19 and 69% of clubs in 2019-2020.Membership wise we went from12889-11415-6157. Membership dropped 48% from 2018-2019 and 54% from 2019-2020. Many larger clubs had smaller membership than previous years.

There has not been a dues report released by KCI for this year.

At the winter Kiwanis Board meeting 3 years ago, I informed you that the Key Club Board had voted ELIMINATE as the District Project. I also informed you that the Key Club Board had voted to ask permission to withdraw $50,000 from our reserves to offset our pledge that is not fulfilled. Instead of going into reserves last year, we used the surplus that was created by COVID-19 in 2019-2020. Jeff also sent a check for $25,000 in September for 2020-2021 from unspent monies this year...

As most of you are aware, I am retiring as District Administrator for Capital District Key Club, effective 3/31/2022. Gov Elect Jen, along with several people, will be interviewing 2 very qualified applicants the last week of October.

I am attending the 100th Anniversary for the Kiwanis Club of Beckley, 10/23/21. I will meet with the WVA Key Club District Admin John Kyle. Now that schools are back in session and clubs will start being active, we are hoping to get a better feel with exactly what is going on in WVA and Capital. We will end this Key Club year with a joint DCON in Washington D.C.

The KCI staff were in DC last week. As the host committee for ICON 2022, we were invited for our input. Kay D and I were able to attend, but Josh H could not attend due to a prior commitment.

Joe Stankus
