3. **CHALLENGES OR ASSISTANCE NEEDED** (use continuation sheet if necessary):

-Is there a new Capital District logo that will include West Virginia in the graphic or the state's name? I would like to make sure that I am using any updated logo that the district has received.

-I am aware that DEI (Diversity, Equity, and Inclusion) committee is restarting and will be a formal committee next year. I would like to advocate as the Aktion Club committee chair for an Aktion Club representative to be a part of the DEI committee whether it be a member or an advisor. I would be more than willing to put out a call to solicit nominations with a brief Google Form for anyone interested to fill out. I know Key Club and CKI has representation so I would love to also have this SLP branch represented. Before I put this opportunity out to the members, I would love to make sure this is okay with Governor Jen's and Chair Josh's visions.

4. **COMMENTS** (use continuation sheet if necessary):

-I am working with the K-Kids and Builders Club SLP chairs to co-develop and present a session during DCON on Saturday regarding mutually beneficial relationships for Kiwanis Clubs and the community.

-Aktion Club was provided with the opportunity to secure the Saturday host/speakers for the DCON lunch session as a way to make sure all members of the Kiwanis family are included as much as possible.

-As this will be my last year, I will want to work with Governor Jen and the incoming Governor-Elect to identify who may be interested in serving as the next Aktion Club committee chair. I would like to put out a large broadcast message to the entire district, especially now with the addition of West Virginia.
