Jeff, My computer is giving me problems so I cannot get on the internet or do attachments. Looks like I'll need to buy a new computer. So, below is my report. Renee

Mason Dixon Trustee Report July 28, 2022

Membership
The Westminster Club (Div.7) held a membership blitz which generated some new contacts. The Hagerstown Club (Div.7) and Winchester Club (Div. 8) both added new members. Some members have not returned since the end of hybrid meetings.

Plan for New Kiwanis or SLK Clubs-none

Challenges or Assistance Needed
Both Divisions 6 & 7 have not held elections for Lt. Gov./Lt. Gov. Elect for the 2022-2023 Kiwanis year. Division 6 would benefit from the new amendment before the delegates at DCON for the board to appoint leadership from outside the division. Bob Kaufmann (Frederick-Div. 7) is interested in the Lt. Gov. position. I am currently following up with that contact.

Other Comments
The incoming Mason Dixon Trustee, Roger Diehl, attended the CLE training for 2022-2023 club officers and is making contact with the clubs. I will pass on the trustee banner at a Westminster club fall meeting.
