To: Jeffrey Wolff <jeffrey.wolff@capitalkiwanis.org>

My only update for the report is as follows:

There were thirteen submissions for the Signature Project Contest for the Capital District. The applications were reviewed and judged and there was a club winner selected from the submissions with more than 28 members and a winner from the submissions of clubs with less than 27 members. Those winners were sent in to KI on 2/17/23 and will face additional review at that level. When appropriate, winners will be announced. Thank you to my committee members: Donna Riley, Tony Pauroso, and Wes Walker. It is noted that there should be a review and changes made to the scoring rubric for next years contest and that has been relayed to Governor Jen Wolff.
