

## DUES FOR NEW MEMBERS - EFFECTIVE OCT. 1, 2022

A simplified dues policy began on October 1, 2021.\* On that date, the New Member Fee was eliminated from Kiwanis International and all Kiwanis districts. Instead, anyone who joins a Kiwanis club during the Kiwanis year will be charged prorated dues and fees, based on the month they join. On each subsequent October 1 (the first day of the Kiwanis year), all members will then be assessed the annual dues-and-fees amount.

Kiwanis International and the Florida District of Kiwanis use the proceeds from dues and fees to fund meeting expenses, membership materials, shipping, grants, technology infrastructure and other expenses. Additionally, members in the U.S. are charged \$8 annually for Kiwanis magazine and \$22 for liability insurance and Directors & Officers Insurance. Those fees will also be prorated for new members.

Each Kiwanis club sets its dues structure based upon its own budget in addition to the dues to be paid to Kiwanis International and the Florida District. Clubs are encouraged to use this change by Kiwanis International to review your club's governing documents on dues and fees and determine whether they are still relevant for the club.

\* The elimination of the New Member Fee was decided by the Kiwanis International Board in October 2019 and took effect on October 1, 2021. International dues have not changed since 2015 and, per Kiwanis International bylaws, can only be changed by a vote of the delegates at a Kiwanis International convention. Liability Insurance was increased by Kiwanis International by \$5.00 (from \$18 to \$22) effective October 1, 2022.
