3. **CHALLENGES OR ASSISTANCE NEEDED** (use continuation sheet if necessary):

*Availibility of technology for Aktion Club members is a continued challenge. There was a member interested in participating on the DEIB district committee but there is no opportunity for them to utilize Zoom when staying at thier mom's house. We appreciate the district for providing the opportunity to our members and the willingness to include someone if there was a volunteer!

4. **COMMENTS** (use continuation sheet if necessary):

*An Aktion Club member has been secured to speak at the Kiwanis Family luncheon at district convention at the request of Governor Jen. Aktion Club was provided opportunities at the Key Club DCON and Kiwanis DCON, but was not asked to be involved in Mid-Winter.

*The Winchester Kiwanis Club is working to re-activate the Winchester Aktion Club. Lynnette Embree has been working through each step of the process with Jenn.

*The week of July 24th, a request was received to assist the Crofton Kiwanis Club with re-activating the Providence Center Aktion Club, as the previous Kiwanis Advisor has moved back to the area. Jenn and Missy will co-work with the advisor to have them set and hopefully ready to go by October 1st.

*Missy became the Aktion Club committee chair on April 1st per Aktion Club timelines for district administrator responsibilities, which is in the middle of an Aktion Club year; therefore, Jenn is working with Missy through September to ensure a successful and seamless transition between chairs.
