b. Division 10: Colonial Heights satellite club was their 4 new members,

c. Division 11: Short pump open with 21 new members

3. DISTRICT COMMITTEE UPDATES

DCON plans are going well

Key club is running smooth

both committee chairs do amazing reports! And should be commended on their work!

4. CHALLENGES OR ASSISTANCE NEEDED

a. Division 9: Sam is a rock-star and her reports are full of info about what is going on. Susan has step up as incoming LTG and already working on keeping the ball moving forward.

b. Division 10: Chester is switching to 3 meetings during lunch time on Mondays and 2 socials at club, and voted not to merge with Central Chesterfield. Crewe only has 6 members and only meeting once a month, Hopewell club is not interacting as much with the other clubs as they used to and might need help in the future. Petersburg is meeting at two different times and locations.

c. Division 11: Alisa is doing a great job and will do another great job next year as DIV 10 LTG with Barbara coming afterwards.

With Chester being a lunch club next year that will be 3 clubs that meet on Mondays for lunch in the same division. (Richmond, Central Chesterfield, and now Chester)

5. OTHER COMMENTS

- Lots of planning for upcoming DCON and the merger of Div of 10 and 11 becoming Division 10 has had a few bumps but I think things are going smooth. Now having 12 clubs will make it a bigger and much exciting chance for all the clubs to work together and do service projects, inter-clubs, and other projects together.

- All LTG and elects for next year have been elected.

- DIV 9 has appointed a person to represent them on the CDF but 10 needs to and they still need a regional cord

-100 year anniversary coming up on September 7
