4. CHALLENGES OR ASSISTANCE NEEDED

Div 15: Need help with CLE, have asked 3 trainers for support, but schedules don't work, still trying for a later date. Have recommended officers attend DCON for training or do it on-line. Still need help getting clubs to recruit women.

Div 16: Other than Radford, biggest challenges are getting the 5 new WVa clubs involved and included. Communication with all but Beckley is challenging due to lack of response to phone or emails.

Div 17: Although they have funds and support BSA, the Coeburn members have "aged out" and have recruiting difficulties. Could use some help. They did celebrate their 100th anniversary this year, but with little fanfare.

5. OTHER COMMENTS

Div 15: Continuing to encourage Fort Hill & Botetourt to hold elections. All others are complete, but not all updated to dashboard. Several clubs are participating in fund raising, social and community events.

Div 16: Election reports complete and submitted for all except Bluefield (keeping same officers) and Radford (as expected). Some officers have signed up for the on-line CLE, actively encouraging all to attend. Continuing to attempt to establish good communication with and welcome the WVa clubs.

Div 17: The Haysi club will be celebrating their 75th Anniversary in Aug. They continue to serve their community in an outstanding manner. The Clincho club continues supporting their community, but depends on support from the Clintwood club for support. Div LtG-E (Andy Rose) is a member of the Clintwood club, and should be of great help with aiding Clincho.
