Trustee Board Report

Region: Heart of Virginia **Date:** 08/05/2024

To be submitted to the Executive Director no later than 21 days before each District Board Meeting. For each division in your region, comment on the areas below.

1. MEMBERSHIP

DIV 9: +28 for the year

Div 10: -7 for the year. But I know Chester is adding 3 more before the end of the year and Petersburg is adding 2 more on Wednesday (Those are two that left Dinwiddie to go to Petersburg) Hate to admit this but chester going to a lunch club has really help their membership growth.

2. PLANS FOR NEW KIWANIS OR SLP CLUBS

No new clubs at this time

maybe Short Pump looking at having a SLP club
Petersburg wants to have 2 builders club next school year

3. DISTRICT COMMITTEE UPDATES

Finance committe: met online on April 24th but I had a track meet and could not attend. next meeting will be on Aug 23 at 8am

4. CHALLENGES OR ASSISTANCE NEEDED

Crewe is closing, wanted to make it to 100 years, and will celebrate soon.
Dinwiddie needs a coach. Spoke With John Morris and setting that up ASAP.
Not really heard much about central Chesterfield or Hopewell
Short Pump is meeting online and is started their talks on do they want to support a Key club or others.
Chester is working on their bylaws and club polics and will vote in September to change a few things

5. OTHER COMMENTS

Div 9: Is a strong and amazing division. Most of the clubs work together and LTG Susan should be highly commended on the Amazing job she has done with all 9 of her Div. 9 clubs.

Div 10: Wll lose Crewe in October, and be down to 11 clubs. However the old 10 and 11 have not really bond together like I would have hope. Alisa is doing a great job going to the clubs and keeping them inform, but I would suggest the incoming LTG do a Div 10 wide drive or event to try to bring all the clubs together.

These two Division will also need CTE training since both events got cancel and I am concern how many can come on Friday Aug 23 to make it up. I personally feel like an online training date for these two division would work better with some ice breakers to get people talking. Be glad to work with others to get this happen.

Richmond: has a great newsletter for the club and would recommend others to subscribe.
Petersburg: started a new Facebook page to try to get more involved in Social media.
Asland: has been doing some amazing projects and even though R.M. is going through some construction and they have to move sometimes. They do it with a smile and keep going!
