3. **CHALLENGES OR ASSISTANCE NEEDED** (use continuation sheet if necessary):

The Committee is in agreement with many areas of improvement needed, plans to develop, and communication strengths and weaknesses. The biggest issue is how to implement strategies District widen and have a positive impact on the Clubs.

Is it up to this committee to create the structure for the stackholders? Or create the ideas? Are we more tasked with creating the structure or the plan?

4. **COMMENTS** (use continuation sheet if necessary):

The last meeting we all agreed that others should engage in the process: District leaders, Lt. Governors down to Club members.

It has been suggested that District leadership send out a survey of 5 questions on where do we see where the District will be in the next 5 years.
