

KIWANIS MEMBER DUES EFFECTIVE OCT. 1, 2024

At the 2024 Kiwanis International Convention, delegates approved a \$25 increase in annual dues, bringing the total to \$77. Additionally, clubs must pay the following annual fees per member:

- \$8 for the Kiwanis magazine
- \$18 for liability insurance
- \$4 for Directors & Officers Insurance

The Florida District of Kiwanis International also charges \$30 for district dues.

For new members, dues are prorated based on the month they join. On each subsequent October 1, which marks the start of the Kiwanis year, all members will be assessed the full annual dues amount.

In addition to the dues and fees listed above, each Kiwanis club sets its own club dues based on its budget and needs, which must include the dues and fees owed to Kiwanis International and the Florida District of Kiwanis. Clubs will be invoiced according to the amounts listed below when they add new members to their roster.
