3. **CHALLENGES OR ASSISTANCE NEEDED** (use continuation sheet if necessary):

The 2 new clubs we have opened are doing well. Rockbridge continues to thrive. It took a long time to open North Suffolk (previously described as Harbour View) picked up several members at the end and is above club opening strenghth. It has been organized and is putting the pieces together of being a club.

We have not completed the two other clubs, Northern King William and West Point, but are slowly picking up members and have 9 and 10 members so far. A second facebook blast by KI has helped and we have enough people who have expressed strong interest that I am optomistic that we will get it done. Both club sites are in King William County so we certainly have enough for one combined new club if we can't get to the finish line on both.

4. **COMMENTS** (use continuation sheet if necessary):

Helpin clubs become stronger continues to be impossible to measure. The District has a number of clubs that have made significant gains but most of that seems to be from internal efforts (which is excellent). Hopefully, we don't have as many clubs closing this year. The ones of which I am aware are at risk all have few members so hopefully the overall impact of their closures will not upset the gains we have made this year.
