Today's Program

Thanks to Norb for coordinating the program today. Norb pulled together several of Dr. Martin Luther King Jr.'s speeches. Here's a couple of his quotes to remember today by.

- "We must learn to live together as brothers or perish together as fools."
- "Injustice anywhere is a threat to justice everywhere."
- "If you can't fly then run, if you can't run then walk, if you wan't walk then crawl, but whatever you do you have to keep moving forward."
- "If I cannot do great things, I can do small things in a great way."
