Monday, May 16 - Tour of the FRIB

Outreach Coordinator Zachary Constan, Ph.D, provided a tour of the Facility for Rare Isotope Beams (FRIB) on Monday, May 16. MSU operates the FRIB for the U.S. Department of Energy Office of Science (DOE-SC). FRIB is funded by the DOE-SC, MSU and the State of Michigan with support of the DOE-SC Office of Nuclear Physics. The FRIB enables scientists to make discoveries about the properties of rare isotopes (that is, short-lived nuclei not normally found on Earth.) To generate the isotopes, FRIB will accelerate a beam of atomic nuclei to half the speed of light and send them shooting down a 450-metre pipe, before crashing them into a target that causes some of the atoms to fragment into smaller combinations of protons and neutrons.

The FRIB officially opened on May 2 and provided nearly 1,000 tours during their countdown to opening event. Research projects have already started.

For more information, check out the website, [FRIB | Facility for Rare Isotope Beams |](#)

[Michigan State University \(msu.edu\)](https://msu.edu).

Thanks, Zach, for answering all our questions.

Nominations

Here's the slate of officers that has been recommended by the Nominating Committee.

Voting will take place at our meeting on Monday, May 23.

President – Ken Dimoff

Secretary – Sue Petrisin

Treasurer – Bill Chynoweth

Board Member 2022-2023

- Dick Stilwill

Happy Dollars

See you next week!

Middle School Books & Ice Cream Summer Book Club

East Lansing Public Library
3:00PM - 4:00PM
Contact Barbara on how you can be involved in this new partnership.

No Kid Sleeps on the Floor in Our Town

- Thanks to those who signed up to help this Saturday. On Saturday, May 21 at Lake Lansing Park South, Marsh Road, more than 40 beds will be built by Mid-Michigan Kiwanis clubs and friends. The beds will stay in the local area as determined by Sleep in Heavenly Peace. Registration starts at 8am. The project starts at 9am SHARP with a safety briefing. If you have an extra minute this Saturday, stop by and lend a hand...or a hammer!

Plans are in the works for an all-out membership boost. It's time to invite and engage our local community neighbors, friends, businesses and colleagues to join us as we work to serve and support the children of the world. Start thinking about who you would like to invite. We'll be gathering names and contact information. The time is now!

Our club continues to deliver weekend survival kits. If you have a little extra time on Thursdays, please connect with Barbara Hollstein. An extra hand or two, and a vehicle, are always welcome. We have one last delivery for this semester.

June 2

Join your fellow Kiwanis members and guests
"The Hat Box"
A comedy
Sunday, August 7, 2022
2 p.m.
Make your reservations with Barbara Hollstein.
