Donations to Children's Miracle Network and Local Doll and Toy Fund

Project with special education teachers and students from Louisiana College for disadvantaged children from 4 elementary schools

SUMMARY

Our focus was truly on serving children; we couldn't count the smiles on their faces or on our members faces for that matter. We served children at all levels of school sponsoring Circle K at LSU-Alexandria; three Key Clubs at ASH, Bolton, and Menard; Builders Club at the junior high level; and in the grade school levels through summer camp, special education at Huddle Elementary, and events for disadvantaged children. We maintained and made decisions at our camp in Tioga. We brought together our spiritual leaders through a Clergy Appreciation Day. We raised funds through a raffle and at a festival. We had fun!
