SUMMARY

The Eliminate Project – completed the 2nd year of fund raising toward the club’s \$100,000 pledge. By the end of the year over \$76,000 had been raised to date toward the total goal. Dave Curry led a special committee called Achieving Club Excellence (ACE) to recommend improvements to the club’s membership experience and service impact. David Broussard, Neil Klock, and a select committee researched and negotiated a meeting location change from the Piccadilly to the Diamond Grill that started on the first meeting of David Broussard’s leadership year. Darren Green was the Captain of the Club’s first ever Dragon Boat Team when we partnered club members with Menard HS Key Club members to participate in the community event for The Alexandria Museum of Art.
