### SUMMARY

As the 2022-2023 year began at the Installation Banquet on 9/29/22, we thanked Neil Klock for his service as Treasurer for 19 years. Then, members and the board donated over \$2500 to the Florida Kiwanis Foundation for Hurricane Ian relief. The October District Newsletter front page photo featured our Terrific Kids program along with an article about Crawfish Boil and Raffle. And that was just the first week of the new Kiwanis year.

Keith Hillman led the membership campaign resulting in 17 new members for the year! When Hunter Wellan joined the club, he became the fourth generation Wellan in the club; his dad, Louis, joined in 1985, his grandfather, Myron, joined in 1958, and his great-grandfather, Louis, was a charter member and served from 1937-1956. Special thanks to Suzy Halliburton for helping out during the latter months!

We certainly improved the world, one child and one community at a time. Thanks to all our members!!
