Camp for abused children

Camp project: Built beaver beds and restocked lake

SUMMARY

This was a year of achievement. Our membership increased from 106 to 144, resulting in the club receiving the District Diamond Award for growth. Other recognitions included excellence in Administration, 2nd in District for Major Project of the year, and received the Distinguished President Award. Along the way, we balanced the budget. Our Kiwanis Camp had some notable happenings including:

- During Hurricane Andrew, we housed and fed 150 people in the dormitory.
- We built a horse corral for the children's camp.
- We developed a plan to remodel the camp.

Overall, it was a very successful year thanks to the Kiwanis spirit of our officers, directors, and club members!
