March 21, 2023 News Report

Happy 2nd Day of Spring! We had a nice crowd today at the meeting. 36 members attended.

David Coulter from the Kiwanis Farragut Club joined us. David is a past Governor of KY-TN District. He is president of the Farragut Club. Louise (his wife is club Secretary). TV Kiwanis sponsored the Farragut Club. Louise had emergency surgery and is in the hospital. David was visiting because he had to eat! He would welcome an inter-club. They meet on the 1st Thursday of each month at 6:30 p.m. at O'Charley's in Turkey Creek for social hour. The 3rd Wednesday of each month is their regular meeting with a guest speaker. It is at 916 Olive Rd., Farragut and begins at noon.

Alex Miller was our Guest Speaker. What an amazing individual. He is the CEO and Chairman of the Board of Lick Skillet Farm, New Market, TN. His presentation covered the plight of the American Farmer, educational and jaw-dropping. Visit the website: <https://lickskillet.farm/>
Please support the local farmers. You can also visit the following website for additional information on what is available in TN: <https://www.picktnproducts.org/>

BACK

WELCOME
TO OUR
FAMILY!

Rick Bailey, a former TV Kiwanis member, moved to Florida a few years ago. Well, he and his wife, Marcia, are back and Rick has rejoined our club. For those who don't know, Rick was our club president before relocating to FL. He was the shortest president of our club. Kevin Meyer, however, corrected that statement. I, Angie Antico, was the shortest club president. Rick held the shortest president term. Thanks Kevin for clearing that up.

Please Welcome Rick back to our family.

Inter-club

March 28th is the next Interclub with the Maryville Kiwanis Club. It will be at the Green Meadow Country Club, 1700 Louisville Rd., Alcoa. Members who wish to car pool, please met at the at 11:15 Poplar Springs Boat Ramp. A Buddy Bench Presentation will be done by Kevin Meyer!

Please contact our inter-club guru Phil Rothrock if you plan on attending or have questions.

Inter-clubbing is a means of supporting Kiwanis' fifth Object, which is, "To provide, through this club, a practical means to form enduring friendships, to render altruistic service and to build a better community." This wider scope of Kiwanis can be achieved by member visits between clubs in the same town, division and district, as well as inter-district get-togethers.

The development of fellowship among members of the Kiwanis family by having inter-club activities are so important. Through the fellowship gained by inter-club activities, embers learn how other clubs function, get to know their neighboring Kiwanians, develop new ideas and a broader interest in how Kiwanis operates; as well as find new ideas for use in their own club. Become better Kiwanians!

Inter-clubbing creates fund and strong fellowship. We recommend all our new members attend an Inter-Club. To all our existing members, if you haven't been to an inter-club lately, now is the time to sign up.

Thank you to those who have already signed up to help at the Car Wash.

We need a leader to help organize this popular community event. Those who have helped in the past can attest, it is a fun event. You get to meet other TV residents. Your presence helps strengthen our Kiwanis Club within the community. And you get to “accidentally” hose down other Kiwanians! It’s a win-win.
