*Remember: Our Club  
Project Directory is in  
PortalBuzz, under  
Documents.*

WOW, what a fabulous start to the new Kiwanis Year! 49 members attended (which includes the 5 members inducted today). Returning guests were Ron Hansen and Cathy Jenkins. Barbara Pearce, visiting from Maryland, was a guest of Katey Bailey. YAHOO, the 5 new members who joined today: Andrea and Mark Johnson, Jane and Ken Holt, and Pat Robinson. David and Louise Coulter have officially transferred to our club. Thank you, Ron Uncapher, for conducting the orientations and inductions.

Guest Speaker, KaDee Andreasen, Development Director, Kid's First Child Advocacy Center, and Iva's Place. KaDee is also a member. **Page 5**

**New Members (and existing ones, too):  
If you use Facebook, please follow us and like our page.**

WOW we are so grateful for these individuals who joined our club at today's meeting.  
Please take a moment to extend a heartfelt welcome!

David and Louise Coulter, transferred from the Kiwanis Farragut Club.

David is a past Governor of the KY-TN District.

# thank you

To our Guest Speaker KaDee Andraesen  
Development Director at  
Kid's First Child Advocacy Center  
and Iva's Place

KaDee brought to light the unsettling statics of abuse. Cases this year are at 255. 242, of which, involve sexual abuse. The grants they receive cover only 55% of expenses. They rely on fundraising to cover the remaining 45% ; allowing them to continue their work. Our Kiwanis Club was instrumental in starting the Child Advocacy Center 20 years ago. We continue to support these two vital organizations.

Kids First Child Advocacy Center of the Ninth Judicial District serves children that have been identified by the Dept of Children's Services as having been severely physically and/or sexually abused.

Iva's Place provides services and support to anyone suffering from the trauma of domestic violence, including women, men, and children.

Our Kiwanis Club was pleased to present KaDee Andraesen with two checks at today's Oct. 3, 2023 meeting.

\$600.  
Iva's Place

\$4,920.  
Kid's First  
Child Advocacy  
Center

**GetYourSelfie2School! Campaign continues....**

Our Kiwanis members were part of a Meet and Greet Sept. 15 – 21st! They got up at the crack of dawn, arriving at the school just before the students. They opened car doors, welcoming students with smiles and words of appreciation for coming to school. Loudon Fire Department and the girls' volleyball team of Loudon High School joined in the Meet and Greet. This acknowledgement of the students was phenomenal; instilling in the children that school attendance was important and they were awesome.

## Congratulations Kevin Meyer!

Sept. 26th, the Maryville Kiwanis Club presented Kevin with a plaque in appreciation for his guidance & support with their Bottle Cap Bench Project. The beautiful plaque was custom made by Martin Shafer, a former Lt. Governor of KY-TN Division 5.

The presentation was done during the club's annual installation of new officers. It was a surprise to Kevin. A few Tellico Village Kiwanians were there to cheer for our upcoming club president. Well done, Kevin!

*A. Ambico*

### Here a Bench! There a Bench! Everywhere you look; there is a Buddy Bench!

Kevin Meyer delivered 3 more Buddy Benches this past week. And 3 more are scheduled to be delivered by mid-December. That will bring the 2023 bench total to 18. And a total of 41 benches since the start of this project.

Kevin has met with numerous other Kiwanis Clubs, and charitable organizations, assisting them in starting up this important program. Educating others certain plastic lids and bottle caps, in fact, cannot be recycled.

200 pounds of non-recyclable plastic lids and bottle caps create a bench.  
 To-date, we have managed to keep 7,600 pounds of plastic out of the landfills.

**FT LOUDOUN MIDDLE SCHOOL – BENCH #36**

## Welcome to the Jungle Ladies Tea at The Neighborhood Sept. 26, 2023

What a fun theme for the Ladies Tea hosted by our Kiwanis gals. The residents enjoyed themselves, relaxing with friends, being served tea, and baked goodies. Thank you to Kiwanis gals for bringing this monthly event to The Neighborhood.

**The new journey began 9/21/23 for  
Trout in the Class Room Project.**

**200 trout eggs were delivered to the Greenback  
and Loudon North Middle Elementary Schools.**

**Fins crossed for good luck and a big  
School of trout come the Spring of 2024.**

**Project Leader: Dave Miller 865-898-7715 [jdave@me.com](mailto:jdave@me.com)**

We provide financial and manpower support for this environmental education program. Students in grades K-12 raise trout from eggs to fry, monitor tank water quality, study stream habitat, begin to foster a conservation ethic, learn to appreciate water resources and to understand ecosystems. In the fall we get trout eggs from a local fish hatchery. Fish are fed daily and the aquarium and the water quality are maintained weekly. In the spring, on a school sponsored field trip, the trout are released in a state- approved stream or river. As you would expect, students are simply fascinated with the hatching process.

Dave is looking for help with this project. Please contact him if you are interested.

A Antico
