Ruthie Thornton gave an update on the Lions Academy in Kenya. The latrines are repaired and passed government inspections. That was the good news. There was bad news. The front wall of Harriett's house collapsed. A few days later the back of the house was robbed. Mattresses, computer, clothes etc. were stolen. None of the neighbors helped. To donate, write your check out to Kiwanis Club Foundation. Memo Line: Lions Academy. The check can be given to Larry Dill at our Nov. 5th meeting. Or mail it to: Kiwanis Club Tellico Village, PO Box 592, Loudon, TN 37774.

Mary Procyk, Co-Chair Pancake Breakfast, informed us more volunteers are needed. Please sign up. We need all hands-on deck to make our Pancake Breakfast a success.

Ginger Swintosky, Co-Chair Pancake Breakfast, noted there are only 3 ½ weeks left to our fundraiser. We are again wrapping 1000 sets of plastic cutlery. Ginger is hosting a wrapping party at her house on Thurs.

Weekend Food 4 kids

Oct. 4, 2024 137 double bags of food were packed and delivered by our volunteers packed for the kids at Loudon Elementary School.

Project Directory - Youth Services Committee

Project Leader: Pat Humphrey 912-531-7643 pathumpre@gmail.com

- We provide both financial and manpower support for this program which presently serves disadvantaged students attending Loudon Elementary School. Our members pack bags of healthy snacks from the 4 food groups. They begin at 9:30 a.m. and are usually finished by 10:30 a.m. Teachers distribute the bags, confidentially, to these children on Friday's when school is in session. Food is purchased through Second Harvest; who delivers the items directly to the school.

L to R: Janine Julian, Pat Humphrey, Rick and Bev Woodard, Nancy Maloy-Sheets, and Ginger Swintosky.

FYI: Pat was hands on that morning. At 4 o'clock in the afternoon, she was off on a fabulous scheduled vacation.

Giving the gift of mobility to 3 year-old King Henry. King has cerebral palsy and uses a walker. This happy, sensitive little boy is determined to walk and ride with his older siblings. King took to the Amtryke Therapeutic Tricycle immediate. His mom, Farrell, dad Randy, siblings, Scott Keaton, Physical Therapist, from Little Heroes Pediatric Physical Therapy, and Kiwanis members cheered King on as he gave the thumbs up!

Since 2010, Kiwanis Club of Tellico Village has been helping meet certain therapeutic needs of children with disabilities. On October 7, 2024, we were blessed to present our 86th Amtryke. Amtrykes are all about abilities, focusing on what children can do, not what they can't do!

An Amtryke can be adapted in many ways including frame size, seating and positioning of head and trunk support to insure a proper fit. Amtryke models include those with combined hand and foot motion to stimulate reciprocal movement, hand cycles for those with limited lower body mobility and traditional foot cycles designed for riders with special needs.

Please let us know if you or someone you know has specifically asked for/needs prayers.

Don't Stop Praying for our nations, our leaders, our military, first responders, our community, friends, neighbors, and our Kiwanis family,

Jim Barton: The Memorial Service for Jim Barton is Saturday, October 26th 2 p.m Community Church at Tellico Village.

Bill Crowder: He is slowly healing from his fall. The stitches were removed Oct. 4th from his right hand. Peggy asked that we continue praying for Bill to regain his strength.

Bill Iams: The Memorial Service for Bill will be on Friday, November 15th 11 a.m. Community Church at Tellico Village.

Andrea Johnson: Her mom, **Jeanette Warren**, is undergoing chemotherapy and radiation treatments for Stage 4 glioblastoma. Continued prayers for the family as they face each difficult day.

Al Porell: His wife, **Yvonne** is getting stronger each and every day.

Janet Villa: Is recovering from her knee replacement surgery. Janet is working long and hard at physical therapy.

Let us extend our heartfelt prayers to all those whose lives have been affected by the devastation left by the Hurricanes Helene and Milton. May they find strength, resilience, and hope as they navigate through the aftermath of these natural disasters. Together, we can make a difference by offering continued support, compassion, & assistance to those in need.

Peace Out,
Angie Antico, Editor
