His reports are comprehensive. His commitment to our club is unwavering.
A true asset to Kiwanis.**

Beth Mouse presented Rebecca McBride with a check in the amount of \$2001.00 on Oct. 1, 2024. The funds were donated by golfers during our Annual Golf Tournament.

Without Limits program began in 2019 in Monroe County. It offers baseball to athletes with special needs. Without Limits works with the Loudon Diamond Club; which offers youth baseball and softball to local children. Sweetwater and Tellico Plains were the first Without Limits teams. The Loudon Without Limits team made its debut April 26, 2023. Their team has grown to 27 players, ranging in age from 5 to 28. We offer financial funding, and volunteers to help support the athletes.

Weekend Food 4 kids

Sept. 20th, 2024 our volunteers packed and delivered 139 bags of food for the kids at Loudon Elementary School.

We provide both financial and manpower support for this program which presently serves disadvantaged students attending Loudon Elementary School. Our members pack bags of healthy snacks from the 4 food groups. They begin at 9:30 a.m. and are usually finished by 10:30 a.m. Teachers distribute the bags, confidentially, to these children on Friday's when school is in session. Food is purchased through Second Harvest; who delivers the items directly to the school.

September 24th was the monthly Ladies Tea at
The Neighborhood.

21 residents enjoyed themselves.

Our Kiwanis gals decorated the conference room complete with
TN Vols balloons, pompoms, and banners!

Hot tea, homemade baked goods, smiling faces, and
great conversations made the afternoon delightful.

The Kiwanis team included Katey Bailey, Judy Buschetta,
Pat Humphrey, Peggy McRae, Debbie Morris, and Bev Sikorski.

(They were so busy enjoying their time with the residents;
hey didn't take any selfies!)

Friday, September 27th a few of our members attended the Athens Kiwanis Club Meeting.

L to R: Kevin Meyer, David Coulter, Roger Robinson, Lt. Governor 2024-2025, Katey Bailey and Ken Austin.

**Haven't been to an Inter-Club?
You need to go!
We guarantee you'll
be glad you did attend!**

What is Inter-Club?

Briefly, an inter-club meeting is a meeting staged by two or more Kiwanis clubs.

Inter-clubbing is a means of supporting Kiwanis' fifth Object, which is "To provide, through this club, a practical means to form enduring friendships, to render altruistic service and to build a better community." This wider scope of Kiwanis can be achieved by member visits between clubs in the same town, division and district, as well as inter-district get-togethers.

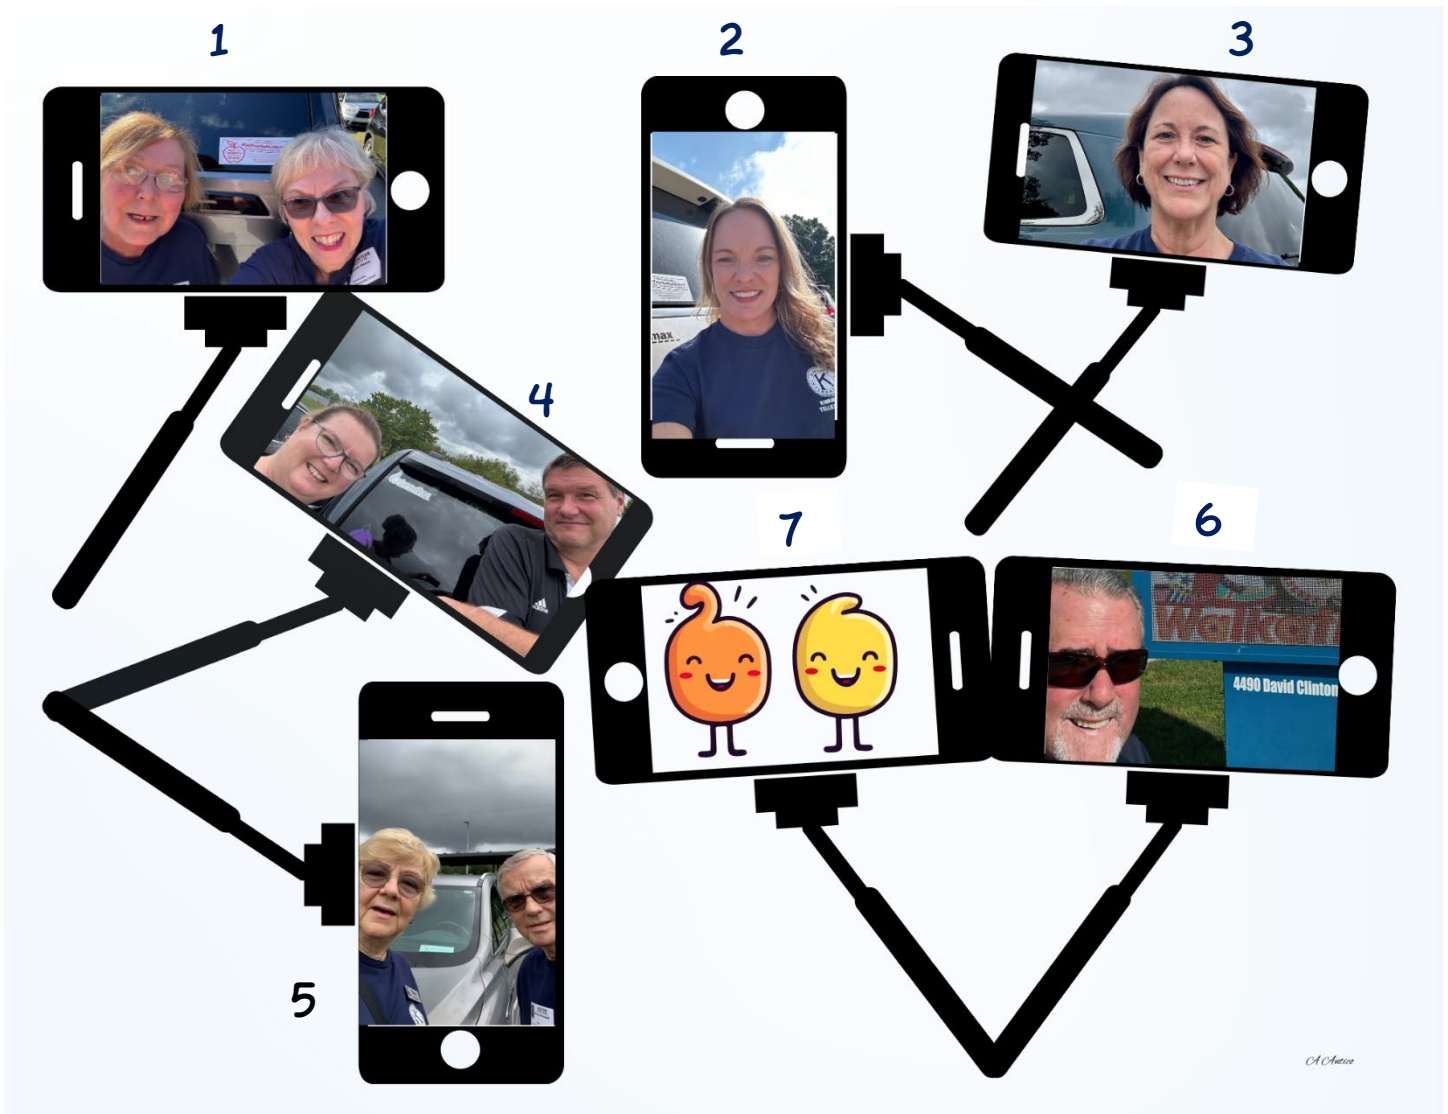

The development of fellowship among members of the Kiwanis family by having inter-club activities is so important.

Through the fellowship gained by inter-club activities, members learn how other clubs function, get to know their neighboring Kiwanians, develop new ideas and a broader interest in how Kiwanis operates, find new ideas for use in their own club, and become better Kiwanians.

Inter-clubbing creates fun and strong fellowship.

Cindy Purdy, Director Loudon County Family Resource Center, asked for help with the GetYourSelfie2School Campaign. Cindy needed volunteers to stop by 6 different elementary schools on specific days at the same time. Volunteers had been tasked to count staff cars that had a GetYourSelfie2School sticker on the car window. Below are a few selfies of members who jumped at the change to help Cindy with this project. 1-Pat Humphrey & Beth Mouse, 2-Sarah Campbell, 3-Katey Bailey, 4-Ginger & Bob Swintosky, 5-Bev & Rick Woodward, 6-Kevin Flanagan, and 7-two emoji that represent Ken & Jane Holt. From the faces, it appears that our volunteers had a good time; despite the weather.

Lending Library

This program brings the school library to the kindergarten classes at Lenoir City Elementary School. Once a week, on Thursdays during the school year, a cart stocked with library books is placed outside each classroom door (one cart for each classroom). Each Kiwanis member is assigned to a cart serving as the "librarian." Prior to the school start each child is permitted to search for a book, take the library card out of the pocket and hand it to the member who then records name and date of the child. The child's teacher will then provide a folder to take home. The folder contains suggestions for the parent as they read the book to their child. Volunteers spend approximately one hour of their time; 7:30 a.m. – 8:30 a.m.

Ron is asking for a few members to sign up as subs.

Caren Salazar and KaDee Andreasen are both in Leadership Loudon which is a program through the Loudon County Education Foundation. Its purpose to educate and develop current and future leaders by giving them in-depth exposure to state government and local community to promote and facilitate active involvement in community organizations.

The program exposes leaders to the internal and external factors that shape and mold community decision-making and exposes us to the economic sectors that make the largest direct and indirect impact on the community! We graduate in November. The course days unfortunately are on the same day as the second month Kiwanis meeting.

As a part of the course requirements, our entire class is to work together on a service project. Our class chose Iva's Place to help with the expansion of 7 rooms.

We are collecting NEW twin-size sheets, comforters, pillows, bath rugs, towels, washcloths, hand-towels, shower curtains, children's towels, and children's washcloths. All these items need to be new and we would prefer the colors of white, beige, or gray! We will be collecting the entire month of October.

You can bring items to our October 17th meeting or at any drop off location.
