MORE THAN JUST BOOKS

The story of this library is unique. From its start in 1987 as a small collection in a room at the Yacht Club, it has established itself as a community asset in its present 6400 square foot facility. The library building is owned and funded by the Friends of the Tellico Village Library, a 501(c)(3) nonprofit organization. Loudon County funds the salaries for a full-time manager and part-time assistant manager. The Friends organization pays for the library's mortgage, utilities and maintenance. All patrons are encouraged to become members of the Friends of the Tellico Village Library; these memberships help keep the doors open. The Public Library at Tellico Village is a full-service library that is open to all who live in Loudon and the surrounding communities.

Our vision is to be the center for lifelong learning, providing access to the information that will fulfill personal growth, cultural enrichment and knowledge in all fields of interest.

The front desk duties, shelving of books, and many other tasks are accomplished by a staff of over 40 trained volunteers. They are not paid but their value to the library is priceless.

The library offers many different presentations in our conference room throughout the year. All talks are free, but seating is limited. Topics include history, medical and health topics, gardening, Medicare, financial information, and many others. These presentations are publicized on NextDoor, Tellico Village Tell-E-Gram, library website, and other venues.

We urge you to visit the website for a comprehensive list of services provided.

Lou and I had a delightful visit on Nov. 12th, 2025 with Al & Yvonne Porell and Bob & Linda Treece.

Al reserved the separate dining room at Premiere Residences and he and Yvonne hosted lunch for us. The food was delicious but the company was so much better.

Our conversations included our amazing Kiwanis Club, members and what lies ahead.

We toured the facility courtesy of Al & Yvonne. Bob had been working on the list of past club presidents. He needed the names for the terms 2007-2008 and 2008-2009.

He had the names from 2009-2010 up to 2017-2018 with Beth Mouse.

Ron Uncapher filled in the missing names for the 2007-2008 & 2008-2009 terms.

I finished the list from 2018 to the present.

The list is saved in MemberDay>Files>Board of Directors Past and Present.

These incredible gentlemen were the backbone of our club. Al was our founder in 1999. His email is: porellal@chartertn.net.

Bob joined in 2003 and was an active member until 2023. His email is: zbtreece@bellsouth.net

Loudon High School Culinary Arts

Loudon High School's Culinary Arts program offers a fantastic opportunity for the community to enjoy a delightful meal while supporting student education. On November 7, 2025, four of our members relished a delicious lunch crafted by these talented students. The lunches, open to the public on Fridays for just \$6.00, promise not only a satisfying meal but also a chance to indulge in exquisite drinks and desserts at an additional cost. To partake in this culinary experience, aim to arrive early to check in at the school office, as lunch is served at 11:00 a.m. Don't miss this chance to support a valuable school initiative and enjoy a memorable meal!

IVA's Place

💜 What a Day! Chrome for Courage Was a Wonderful Success!

This past Saturday's Chrome for Courage Car Show was an incredible day filled with community, compassion, and cars — all to support Iva's Place. Together, we raised over \$1,400 to help provide safety, shelter, and hope for survivors of domestic violence.

💜 A very special thanks to 16-year-old Wesley Powers from Lenoir City High School, whose heart and vision made this event possible. Wesley followed his calling to do something meaningful, using his love for cars and car shows to turn passion into purpose and organize this event from start to finish! His compassion and example are an inspiration to us all! We are so grateful and can't wait to do it again next year!

We also want to extend our heartfelt gratitude to:

- Chili's for generously allowing us to use their parking lot,
- Tellico Village Kiwanis Club for their amazing volunteers,
- Wampler's Farm Sausage and Bojangles for the amazing sausage biscuits, and
- Coffee Culture for the delicious coffee that kept everyone warm and energized!

💜 And to every participant, volunteer, and supporter who showed up — thank you for helping make this day one to remember. Because of you, more survivors will find safety, hope, and healing through Iva's Place. 💜

We concluded our Fall session of **Let's TALK** with a celebratory graduation event. We extend our appreciation to Director of Schools Dr. Smith and Lenoir City Elementary School Principal Dr. Lewis for participating in and sharing this special moment in our early literacy program! We are grateful for the support of our School Board and the **Kiwanis Club of Tellico Village**, and we would like to express our sincere thanks to both groups for believing in our mission to bring early literacy to non-school aged children in our community.

Spring sessions begin January 26, 2026, be looking for more information to be shared in the future!

Our club provides financial support for the Let's TALK Program at Lenoir City Schools Family Resource Center.

The post to the left was on LCSFRC Facebook Page. Description of the Program is below.

(I took the liberty of creating the layout.)

WHAT IS THE PROGRAM

Let's Talk

(Talk, Ask, Language, Knowledge)

It is an 8-week early literacy program in which children, aged 2 years old to PreK, attend weekly sessions with their parent/guardian. During these sessions, the children participate in an interactive read-aloud as well as physical activity, craft, and a healthy snack all based on the book. The sessions last for 1 hour, 1 day a week, and last for 8 weeks each semester.

Your child will grow in their knowledge as well as social skills through interaction with other children in the program and help them be better prepared for Preschool.

This program is sponsored by the **Tellico Village Kiwanis Club** and Walmart.

On Monday, Nov. 17th, 2025, Kiwanian Reba Herzfeld delivered beautiful handmade items to Robin Hamrick, Executive Director, Friends of Tennessee's Babies with Special Needs. The items were donated in memory of Zona Mayo. An earlier picture of Zona can be seen behind Robin and Reba. Reba was friends with Zona's parents before they moved to Mississippi.

Reba is holding a mock-up of a 1-pound preemie baby to provide a vivid, tangible reference for understanding the fragility and diminutive size of premature infants.

The Knitters & Crocheters United 4 Kids Project was founded by Reba. It is a wonderful initiative that combines the love of crafting with the joy of giving back. If you have a passion for knitting, crocheting or quilting, please consider joining this amazing project. Help keep the magic going.

©A. Chene

During Reba's visit with Robin, she was told that children who drool need bibs. Reba, being Reba, went home and created a template and sewed a simple bib using fabric she had on hand.

Reba displayed the bib at the meeting. If you can maneuver a pair of scissors, and want to cut out fabric, Reba is willing to sew the bib together.

Knitting, crocheting, or quilting a part of your expertise, please consider becoming involved with this caring project!

VONORE ELEMENTARY SCHOOL

Thank you for helping out Vonore Elementary

Thank you so much for the wonderful donations and bags of candy for the Vonore Elementary School Santa's Workshop. What a pleasant surprise! We have been holding this event for close to 20 years and it means so much to these kids. They look forward to it from their first day of the school year. They love shopping for their families, and often for themselves. We have a blast wrapping all the presents for them and just talking to these kids. Lots of laughs, lots of big smiles.

We are so thrilled that a couple of your board members will be helping us with wrapping. I hope they bring back some good stories about their adventure. We are sincerely grateful.

The Early Childhood Literacy Program at Lenoir City Elementary School is designed to promote books and reading among Pre-Kindergarten children. Held every other Thursday during the school year, this program complements the Lending Library initiative, providing a literacy experience. Volunteers read aloud to the children, capturing their attention and inspiring their imagination.

The interactive question-and-answer sessions that follow encourage curiosity and engagement, helping to develop critical thinking and comprehension skills. This program introduces children to storytelling and aims to lay a foundation for lifelong learning and literacy.

***Welcome students to Loudon Elementary School on the mornings of
December 3rd and December 17th.***

Our involvement will surely help the children to feel welcomed and appreciated.

Kiwanians will need to first sign in at the office.

You'll then be ready to greet the students as they begin arriving at 7:00 am. offering a simple, warm greeting like "Good morning. Happy you are here," along with a friendly smile, can significantly ease any anxieties the children might have as they start their day. It's a small gesture that can make a significant difference, helping to create a nurturing and supportive school environment.
