Club Meetings are the 1st and 3rd Tuesday of the month.
Friendship Hall of Shepherd of the Lake Lutheran Church,
143 Chota Ctr., Tellico Village. Across from POA office.

Meeting Highlights

Our first meeting of 2026 was exciting. We welcomed 41 members, friends from Sweetwater Kiwanis, 3 returning guests, 1 new guest, 3 interesting speakers, and ended with delicious food from Cracker Barrel and tasty desserts. Jim and Shirley Bierkamp and Phyllis Quarin previously attended a meeting. We look forward to having them become a part of our membership. Dennis Downs visited for the first time. We hope we were successful in peaking his interest in Kiwanis.

Welcome
January

One day at a time.

New Month, New Year,
New Chapter, New Lessons,
New Blessings, New Beginning,
New Mindset, New Focus,
New Inspiration,
New Opportunities
New Results!

Guest Speakers January 6, 2026:
Richard Glover (middle),
Head Techie
Clint Lockwood (left), Techie, and
Heather Glover (right),
Secretary/Treasurer/Techie

Phone: 865-245-9811

For over two decades, Richard has built and secured complex IT environments for the U.S. Government and military. A retired Information Technology Scientist from ManTech International, he is known for his ability to improve processes and automate complex IT tasks using scripting languages.

Clint's 15 years working in a hospital emergency room ignited a passion for technology. He was the go-to person for troubleshooting the ER's electronic medical records (EMR) system and discovered a natural talent for teaching. After earning a Computer Information Technology degree, he focused on device repair and tech education.

Tech-Ease is a 501(c)(3) nonprofit organization committed to helping anyone who struggles with technology—whether it's setting up a device, learning how to use it, or troubleshooting a problem. For over five years, they have offered support informally before formalizing our mission to better serve the community.

Founded by a local Rockwood resident and U.S. military veteran, Tech Ease provides free, compassionate tech assistance to make everyday life easier and more connected.

They don't just fix devices; they empower people. Whether you need to set up a new phone, learn video chat, or troubleshoot a slow computer, we suggest you contact Tech-Ease.

You can download copies of their Tech-Ease Tid Bits located at the bottom of their web page.

A BENCH FOR caps The ABC Program is an inspiring initiative that transforms non-recyclable plastic caps and lids into functional and meaningful benches and tables, fostering inclusivity and reducing social isolation among children. Through collaboration with Green Tree Plastics in Indiana, the collected plastic is processed using an extrusion method. While providing minor funding, our Kiwanis Club observes the project's expansion to new counties, involving other Kiwanis Clubs and charitable organizations. This expansion supports environmental sustainability and community engagement.

Project Coordinator and our Benchman, Kevin Meyer picked up 9 benches on December 17, 2025 at Green Tree Plastics in Evansville, IN.

Jerry Perata, with Compassion Ministries, joined Kevin in the pickup and transporting the benches back to Tellico Village.

Details on each bench delivery with photos will follow as the presentations are completed.

A BENCH FOR caps

Kiwanis Club of Loudon County Facebook Post on Dec. 18, 2025
Our club was excited to deliver a Buddy Bench to Eaton Elementary School this morning with the help of Kiwanis Club of Tellico Village. Eaton students got involved and helped collect the plastic for this bench. Way to go Rockets! We hope that when students see it, they remember they are loved and supported by our clubs.

Rudolph Pancake Party

Mrs. Echol's Kindergarten class at Lenoir City Elementary School had a delightful time at their Rudolph Pancake Party on December 18, 2025. The event was a collaborative effort, with both the teacher and parents contributing to the delicious breakfast spread. Adding to the festive spirit, Andrea Johnson, known as the Tellico Village #1 Kiwanian Elf, joined in on the fun. She brought bookmarks for each child to decorate, sparking creativity and showcasing many budding artists.

A BENCH FOR **caps**

Santa is thoroughly impressed by Kevin Meyer's boundless energy and unwavering dedication as the Project Coordinator for the Tellico Village Kiwanis Club's "A Bench for Caps" Program.

Kevin's tireless efforts in transforming countless bottle caps into beautiful community benches have not only made a tangible impact but also inspired those around him.

Santa, recognizing the same spirit of giving and commitment that fuels his own Christmas Eve endeavors, is eager to enlist Kevin's help for his magical night of deliveries. With Kevin's organizational skills and enthusiasm, Santa is confident that they can spread even more joy and cheer to children around the world. It's a partnership made in holiday heaven, where each plays a vital role in making the world a better place, one bench and one gift at a time

Kevin delivered all 9 benches on December 18th, 2025, traveling between Loudon and Blount Counties.

He didn't slow down from 9:00 am until 2:30 pm,

He definitely set a record. It's no wonder Santa wants to recruit Kevin.

NEEDS HELP*

I would like to assemble a small committee to assist with selecting qualified recipients of benches for 2026.

Team members will form the committee.

The goal in 2026 is 55 - 60 benches.

This is a **HUGE** goal, but we did nearly 50 in 2025.

I will be needing folks to help with the following teams:

There will be a funding team to seek out contributions from area businesses, churches, individuals, grants etc.

Rick Hamm will lead this team.

I need additional sorters to train on what caps and lids we accept and which we discard into recycle bins to take to the convenience center.

I am seeking additional co-drivers to assist with picking up caps locally as well as making trips to Evansville.

Janine Julian has offered to take over the design and creation of the nameplates.

The plan is to reduce trips by utilizing a donated trailer and to secure 9 - 10 benches at a time which would result in an every OTHER month trip to Evansville.

The goal is 6 round trips to Evansville versus the 13 trips (9,000+ miles) that we did this year.

Working smarter and not harder. Please consider helping.

**THE WORLD IN WORDS
LENDING LIBRARY**

The Lending Library Program at Lenoir City Elementary School is every Thursday while school is in session from 7:30 a.m. to 8:30 a.m.

Our Kiwanians serve as librarians, equipped with a cart full of diverse books. The kindergarten students independently select a book that interests them. This process not only empowers young learners to make their reading choices but also instills a sense of responsibility as they manage their borrowed books. Teachers supply folders containing useful reading tips for parents, ensuring that the reading experience continues beyond the classroom into the home. This endeavor fosters an environment that celebrates literacy and promotes lifelong learning.

Ron Uncapher is the Project Leader.

What is Inter-Club?

Briefly, an inter-club meeting is a meeting staged by two or more Kiwanis clubs.

Inter-clubbing is a means of supporting Kiwanis' fifth Object, which is "To provide, through this club, a practical means to form enduring friendships, to render altruistic service and to build a better community." This wider scope of Kiwanis can be achieved by member visits between clubs in the same town, division and district, as well as inter-district get-togethers.

The development of fellowship among members of the Kiwanis family by having inter-club activities is so important.

Through the fellowship gained by inter-club activities, members learn how other clubs function, get to know their neighboring Kiwanians, develop new ideas and a broader interest in how Kiwanis operates, find new ideas for use in their own club, and become better Kiwanians.

Inter-clubbing creates fun and strong fellowship.

The Early Childhood Literacy Program at Lenoir City Elementary School is designed to promote books and reading among Pre-Kindergarten children. Held every other Thursday, during the school year, this program complements the Lending Library initiative, providing a literacy experience. Volunteers read aloud to the children, capturing their attention and inspiring their imagination.

The interactive question-and-answer sessions that follow encourage curiosity and engagement, helping to develop critical thinking and comprehension skills. This program introduces children to storytelling and aims to lay a foundation for lifelong learning and literacy.

Volunteers begin at 8:30 following the Lending Library Project. They spend an hour reading to the Pre-kindergarten children.
