**THANK  
YOU!**

**Guest Speaker**  
**May 5, 2026**

Mark's presentation on the Tellico Village Residents Association (TVRA) was a masterclass in engaging communication. Without relying on a PowerPoint, his narrative brought the TVRA's mission to life.

He made a compelling case for why residents should actively participate in the community. Mark highlighted the TVRA's dedication to enriching residents' lives through informative programs, open dialogue on important topics, and fostering civic engagement. By emphasizing opportunities for social interaction, he painted a picture of a more connected, cohesive community.

His talk was a reminder of the power of storytelling in inspiring action and fostering a sense of belonging.

**Chuck Fletcher**  
Lt. Governor of  
KY-TN District  
Division 13

**Guest Speaker**  
**May 5, 2026**

Chuck's journey as a dedicated Kiwanian and retired educator is a testament to his unwavering commitment to children's development and education. Over the last 21 years, he has embraced various leadership roles within the Kiwanis organization, culminating in his current position as the Lieutenant Governor of the KY-TN District Division 13.

Throughout his career and volunteer work, Chuck has consistently championed initiatives that empower young minds, ensuring that every child has the opportunity to reach their full potential. His passion for education and community service continues to inspire those around him.

Chuck Fletcher is indeed a treasure, known for his generous spirit and willingness to share his extensive knowledge. His contributions and insights are invaluable. He uplifts individuals and strengthens communities, making him a true asset to the Kiwanis Organization!

Beth Mouse received the following update from Susan Fox, Director, Lenoir City the Family Resource Center regarding GetYourSelfie2School Campaign.

15 students had perfect attendance for the full year across grades 2 – 11.

**For the 4<sup>th</sup> marking period:**

**Lenoir City Elementary School:** 119 perfect attendance. 238 fewer than 3 absences.

**Lenoir City Intermediate/Middle School:** 204 perfect attendance. 323 fewer than 3 absences.

**Lenoir High School:** 600 1 absence. 947 no more than 3 absences.

**Project Directory: Youth Services Committee GetYourSelfie2School**

Our club contributes both financial resources and volunteer efforts to this program promoted in Lenoir City Schools and Loudon County Schools. The main goal for Get Your Selfie 2 School! is to unite community partners and sponsors from individuals, businesses, corporations, civic groups, non-profit service providers, and faith-based organizations to assist in promoting the importance of regular school attendance.

**Thank you.**

Dear Andrea

I salute you all in the name of the most high God. I am happy to Kiwanis for the huge donation that was contributed in our favour. God bless everyone of you. Since you are making these children smile, May God remember you all too. Kiwanis members have been our parents and we love you all.

I received the money and it was used to buy school tracksuits, uniforms, beddings for them who didn't get last time, stationaries this is their writing materials, pens, sanitary towels for girls. The balance is being used to buy food stuffs. These is not done fully since everything is very expensive now. The economy is not favourable to us Kenyans. But we still glorify the name of the lord.

I wish you all the best and may Gold bless you so much. We love you and wish you well. Shalom

Yours faithfully  
Harriet Nkatha.

This precious little boy was abandoned, after his mom died. He was found in a cemetery near his mom's gravesite on a mound of dirt. Police brought the child to the Lions Academy.

Without hesitation, Harriet took in the boy. She named him Trevor. Trevor is now part of the Harriet's "family," orphans. He is loved and protected.

## HAPPY TRAILS

IT COULDN'T HAVE TURNED OUT ANY BETTER!

Rob and Hedy Orkney delivered one of our club's used Amtrykes to 14 year old Maddie Penland on Tuesday afternoon, April 21, 2026.

The Amtryke, a therapeutic tricycle designed to provide mobility and independence for individuals with disabilities, brought immense joy to Maddie.

Left to Right: Hedy, Maddie, Rob, and mom Toyna.

It was to be a temporary arrangement until a decision was made on which recumbent Amtryke model would be ordered. As it turned out, the meeting of the minds concluded that the temporary tryke was perfect for Maddie to strengthen her legs.

Maddie sealed the deal when she and a good family friend hit the unpaved trails of the 100-acre Baker Creek Preserve in South Knoxville. When they returned a half hour later, it was all smiles and high fives.

Tonya, Maddie's mother, agreed with Rob's suggestion that others in our Kiwanis club get the opportunity to meet and celebrate with Maddie. The date will be announced mid-May.

Left to Right: Hedy, Maddie, and Rob.

Family Friend and Maddie.

# FISH NEWS

## Tellico Village Kiwanis Club Trout in The Classroom Project.

The Trout release event at Loudon North Middle School on Friday, April 24th, was a memorable occasion for the students and the local environment alike. This hands-on educational experience allowed fifty eager students to actively participate in the release of 122 Rainbow Trout fingerlings into the Tellico River, just downstream of the scenic Bald River Falls. These trout were nurtured from eggs provided by the hatchery back in September 2025, highlighting the students' commitment and patience in raising these fish to a viable size for release. This event not only fostered a sense of environmental stewardship among the young participants but also contributed to the ecological balance of the river, supporting local biodiversity. Such initiatives are invaluable in teaching the next generation the importance of wildlife conservation and sustainability.

Kiwanian Ken Holt and teacher Joey Breedlove worked together to create a memorable experience for students. Each student was given the opportunity to personally release a fish into the water, a symbolic gesture encouraging environmental stewardship and the appreciation of local ecosystems. As Ken Holt distributed the fish, Joey Breedlove guided the students safely into the water, ensuring each child had a chance to connect with nature in a meaningful way.

After the trout release, some of the boys tried their luck at catching the result of a previous year's release.

### Project Directory: Youth Services Committee Trout in the Classroom

We support this environmental education program with financial and labor resources. Currently, three schools participate: Fort Loudoun Middle, North Middle, and Greenback Middle. K-12 students raise trout from eggs to fry, monitor tank water quality, study stream habitat, foster a conservation ethic, appreciate water resources, and understand ecosystems. Every fall, a hatchery donates trout eggs and food. Daily feeding of the fish, with weekly aquarium and water quality checked. Each spring, students release trout into state-approved streams or rivers during a field trip.

# Weekend Food 4 kids

## The Without Limits Baseball game

on April 28, 2026, was a memorable event despite the windy and chilly weather.

The Loudon Without Limits Team, sporting their vibrant red uniforms, faced off against the Tellico Plains Without Limits, who donned their striking purple attire. The spirit of the game was undeterred by the brisk conditions; both teams exhibited impressive sportsmanship and enthusiasm. Family members and team helpers filled the stands, their cheers echoing across the field, providing an uplifting atmosphere that energized the players. In a display of determination and skill, each team managed to bat around twice, showcasing their resilience and love for the game. The day was a testament to the power of community and the joy of

sports, leaving everyone with warm memories despite the cold winds.

Tellico Village Kiwanians Ray and Beth Mouse

were on hand cheering on the athletes.

The Ladies Tea at The Neighborhood on April 28, 2026, was a delightful affair, with the theme of "Bunny Hop" bringing joy and whimsy to the event.

The Kiwanis gals truly outdid themselves with charming table decorations that perfectly captured the spirit of the theme. The table was adorned with colored tablecloths, adorable bunny figurines. Delicate teacups completed the look, creating an enchanting atmosphere that delighted the attendees.

As the 17 residents sipped their tea and enjoyed delectable treats, the room buzzed with laughter and conversation, embodying the warmth and camaraderie of the community.

*The prohibition of taking photos of residents at the Assisted Living Facility is a crucial measure to safeguard their privacy and personal dignity.*

### UPDATE

**102 CARS WASH**

**DONATIONS TOTALED: \$2,200.00**

## THE *End*

The sun was shining brightly as the day began for our 8<sup>th</sup> Kiwanis Club Car Wash fundraiser.

The weather was perfect, with a gentle breeze keeping our volunteers comfortable. The car wash fundraiser was a resounding success, as the community came together with enthusiasm and generosity.

Armed with soap, sponges, and hoses, volunteers eagerly awaited the arrival of supporters. The turnout was overwhelming, with 101 cars driving through, each one contributing generously to our cause.

The atmosphere was lively, filled with laughter and the sound of splashing water, creating a sense of unity and joy among participants. Thanks to the collective efforts and the community's kindness, we raised a significant amount to support our Projects for Children, reinforcing the spirit of camaraderie and goodwill.

This inclusive program, which began in Monroe County in 2019, aims to make baseball accessible to everyone, regardless of their abilities or disabilities. Sweetwater and Tellico Plains were the first Without Limits teams. Working with the Loudon Diamond Club, the Loudon Without Limits team made its debut April 26, 2023. Lenoir City joined the Without Limits team in 2026. The Loudon team is comprised of players aged 5 to 28. The players benefit from community and sponsor donations, receiving uniforms and participation at no cost. Our club proudly supports this endeavor with financial funding and volunteers, embodying the spirit of inclusivity and community engagement that defines the Without Limits Program.

**CELEBRATION MOTHER'S DAY**  
*Hosted by our Kiwanis Gals.  
It will be similar to the monthly  
Ladies Tea at The Neighborhood.*

<b>Date:</b> Friday May 8 <sup>th</sup> , 2026.	<b>Time:</b> 1:00 pm to 2:30 pm (approx).	<b>Theme:</b> Mother's Day to celebrate all the women.
--	---	--

The facilities director has ask us to serve cold beverages instead of hot tea. If anyone has a good mocktail recipe that would be awesome!

Please bring treats as we do for the Ladies Tea.  
Examples: mini cupcakes, cookies, homemade goodies, etc.  
Please bring enough to serve at least 20 people. This will be a little different as we will have a separate table set up for the gentlemen, since all activities in the memory care unit encourages full participation.

We are looking for 5 - 6 volunteers.

# What is Inter-Club?

Briefly, an inter-club meeting is a meeting staged by two or more Kiwanis clubs.

Inter-clubbing is a means of supporting Kiwanis' fifth Object, which is "To provide, through this club, a practical means to form enduring friendships, to render altruistic service and to build a better community." This wider scope of Kiwanis can be achieved by member visits between clubs in the same town, division and district, as well as inter-district get-togethers.

The development of fellowship among members of the Kiwanis family by having inter-club activities is so important.

Through the fellowship gained by inter-club activities, members learn how other clubs function, get to know their neighboring Kiwanians, develop new ideas and a broader interest in how Kiwanis operates, find new ideas for use in their own club, and become better Kiwanians.

Inter-clubbing creates fun and strong fellowship.
