Marie Hyland's Inspiration:

~ He who cannot forgive others breaks the bridge over which HE HIMSELF must pass.

H.A.M.S.:

Lynne Thompson (\$5) – She enjoyed watching "Arthur the King" a movie about an elite adventure racer who forms an unbreakable bond with a resilient stray dog during a 435-mile endurance race based on a true story. Worth a watch!

Chris Ecker (\$10) – He enjoyed the Mary Poppins performance so much that he is going again this weekend. See the link to information / tickets.

Barbie Eland (\$5) – Her granddaughter, Sasha, has started college at Pepperdine!

Martha Burns (\$5) – Her grandson, Scotty, has started college in San Diego.

Rosemary Hook (\$5) – Her youngest granddaughter started at Moorpark College.

Joy Gibson (\$1) – A funny about a minister mis-understanding a request for "Jingle Bells" to be sung at a funeral, only to find out afterwards that the widow only asked for the song "When they ring the golden bells" not Jingle Bells!

Evie Barley (\$5) – During an online driving education course she learned about a website that can help people learn about safety features when buying a new 2026-2027 car. Check it out: <https://www.mycardoeswhat.org>

H.A.M.S. – 50/50

A NEW donation bucks category option where 50% is given to our Administrative Account, and 50% to our Foundation Account.

Brian Hummel (\$100) – He attended a small Celebration of Life for Jack Labrie, where he represented us well and expressed our fond memories of Jack and how much we miss him! He and Moira took two grandkids on a day trip adventure before school started

this week. They took a train to San Juan Capistrano, met up with a friend that took them to Dana Point beach and dinner at a beach club and returned on the train. The special day was enjoyed by all; great memories were made!

And tomorrow is his birthday ... 68 years ago he was born in San Luis Obispo! **Happy Birthday Brian!**

Christie Crahan (\$100) – She enjoyed taking the train to San Luis Obispo to spend the weekend with her son. Her custom-made glasses have brought her sight back! She has more virtual training lessons to learn all the functions, but so far, she is thrilled. If you know anyone with Macular degeneration, share this link with them.

<https://www.esighteyewear.com/> We are all happy that she can see better. Watch out ... she can zoom in to see us clearly, better smile!

Community Service Project: Snack Packs for Friends In Deed

We made (120) Snack Packs including water & snacks. The street outreach team hands them out to homeless people they encounter on the streets, a nice icebreaker to assess potential support services they can provide. A special thanks to **Evie Barley** for delivering them to Friends In Deed.

Guide Dogs of America

Service Dog Graduation ~ Sat. Aug. 22nd @ 10am-12pm

Get there early to get a seat at this public event. There are multiple buildings so make sure you go to the [Visitor Center, 13479 Glenoaks Blvd., Sylmar, 91342](#).

Parking is in the rear of that building. If you arrive at 13445 Glenoaks "main building", you are NOT at the correct location, but you can walk over if you want to. How can we support Guide Dogs of America?

Donations! **Our club will be giving a \$500 donation that day. Doggie toys welcome too. Must be brand NEW.** Plush toys, squeaky toys, fetch toys from these brands: West Paws, Outward Hound, and Tuffy. They do NOT accept food items or rawhide. Optional/not expected by anyone!
