“Serving the Children of the World”

July 1, 2024

Your work in the Mason area has had a significant impact on the quality of life in our community. As a previous Mason Kiwanis Grant recipient, or because of your expressed interest, we invite you to submit an application for grant consideration in our upcoming budget process.

If you wish to apply for a grant for our upcoming Kiwanis Year, which runs October 1, 2024 to September 30, 2025, **please complete and return the enclosed Grant Application no later than August 4, 2024.** The Mason Kiwanis Board of Directors will review your request and make all decisions regarding grant awards by October 2024.

The Kiwanis Club of Mason is comprised of over 100 dedicated members whose mission is to serve our local children and community. We raise a majority of our funds through projects such as our Annual Mason Kiwanis Golf Classic and Annual Pancake Day. These funds are distributed back to the community in a variety of ways, including our Grant Program. These grants are provided to organizations and groups whose projects and missions closely mirror those of Kiwanis.

Although Kiwanis would like to grant all requests, funds are limited by our fundraising activities and their success. Therefore, all grant awards are subject to availability of funds and are never guaranteed. We encourage all of our partners to help promote our activities and fundraisers in order for us to help and support organizations such as yours.

We look forward to helping organizations who make Mason a better place to live and work.

Sincerely,

David Smith

Finance Committee Chair
