XV. YOUTH PROTECTION AND CRIMINAL BACKGROUND CHECKS

a. Policy:

- i. To ensure the highest standard of leadership and to ensure that adults working with youth are of the utmost moral fiber, the Pennsylvania District of Kiwanis International requires clear criminal history background checks and clearances for all District Board Members, Regional Trustees, Lieutenant Governors, and District Chairs (District Officials) as part of the eligibility criteria to hold such positions. In addition, the Pennsylvania District requires clear criminal history background checks and clearances for all Kiwanians and for non-members (such as District Chairs and administrators and their assistants or committee members) working on behalf of the District with youth under age 18 and for all adults – both Kiwanians and non-members – registered for, participating in, or staying overnight at any event organized by the District involving youth under age 18.
- ii. A criminal history background check is considered “not clear” if it indicates a felony or misdemeanor involving moral turpitude; a felony or conviction or registration of a violent and/or sexual nature; a felony or conviction or registration involving any type of abuse of a child, involving threatening or intimidating behavior, or otherwise of a physical nature; or a felony related to larceny or theft. (Reference Commonwealth of Pennsylvania House Bill 435/Act 153 of 2014) Other types of felony convictions will be reviewed on a case- by-case basis by the District Youth Protection Manager. Any conviction legally reversed or overturned by the proper authorities shall not be considered when evaluating background checks and clearances.
- iii. Successful completion of background checks and clearances (a “clear check”) is based on verification that none of the above and none of the convictions prohibited in any Pennsylvania District or Kiwanis International policies or similar thereto have been determined for that person. A clear check is necessary to be an eligible candidate for Pennsylvania District Board membership; thus, candidates must receive a clear check from the District Youth Safety Manager before elections are held. District appointees must receive a clear check from the District

Youth Safety Manager before assuming the appointed position. Adults working with youth as stated above must receive a clear check from the District Youth Safety Manager prior to arrival at the District event.

- iv. The Pennsylvania District recognizes only the Commonwealth of Pennsylvania's criminal history background check/clearance process as valid. All background checks shall be reviewed and evaluated by the District Youth Protection Manager and determined to be clear or not clear, based on the criteria stated above. The District Executive Director shall be advised if a check indicates a problem or concern that requires further investigation or is determined to be not clear. In either case, the District Youth Protection Manager shall notify the individual in question. A check that is not clear causes automatic denial of the right to hold the position or attend the event in question.
 - v. The District Board shall have final authority on the matter.
 - vi. Background checks are valid for a period of five (5) years. All relevant persons as noted previously who have not had the necessary criminal history background checks and clearances and have not been verified as clear within the last 36 months at any given time are required to submit current criminal history background checks and clearances documentation.
 - vii. Each individual subject to a background check/clearance shall be responsible for obtaining the background check/clearance, submitting the results to the District Youth Safety Manager, and paying the related fees. Checks and clearances shall be conducted as inexpensively as reasonably possible to ensure accurate results.
 - viii. Members of the community who attend Kiwanis Pennsylvania District events as guests and who are not responsible for the welfare of a child other than their own, or do not have direct routine interaction with children other than their own, are not subject to this policy. However, the Pennsylvania District reserves the right to refuse any individual the right to participate in a District-sponsored activity if the person is known to possess a criminal history as defined in this policy.
- b. Procedure:
- i. All background check and clearance documentation must be submitted to the District Executive Director. If a check is not clear, it will then be sent by the Executive Director to the District Youth Safety Manager/Youth Protection Chair for further review and possible action. The District will accept copies of background check and clearance documentation that a member has obtained for the purpose of employment or participation as a volunteer in other organizations as long as the check was done according to Commonwealth House Bill 435/ Act 153 of 2014.
 - ii. Current District Officials as of April 18, 2015 must submit Pennsylvania background check and clearance documentation to the District Youth Safety Manager no later than July 1, 2015. Candidates for District Board membership must submit the necessary background check and clearance documentation before elections are held. Adults working with youth as stated above must receive a clear check from the District Youth Safety Manager prior to arrival at the District event.

- c. Once background check/clearance documentation has been submitted to the District Youth Safety Manager, he/she will notify the District Executive Director and the individual if the check is considered clear or not clear, and if deemed not clear, will provide an explanation for that determination.
- d. The District Youth Safety Manager will provide all background check/clearance documentation to the District Executive Director for District records after it has been evaluated. The District Executive Director will maintain these records for a period of twelve (12) years.
- e. The District Executive Director will track compliance with this policy and will notify the appropriate individuals when their clearance is due for renewal.
- f. The District Youth Safety Manager will keep the District Executive Director informed of the status of compliance with the Criminal History Background Checks policy on an ongoing basis.
- g. Discipline: Individuals with a background check determined to be not clear will be subject to the following actions:
