KOD

Haley Hofeld was our KOD today. Due to the fact that my recorder malfunctioned, I asked Haley to send me her information this afternoon and she kindly did so. In her own words... here is her KOD talk.

I currently live in Aurora, Oregon so I am new to the Salem area. I have been here about a year and a half. I grew up in the gorge in Corbett and went to school in Gresham. I attended the university of Oregon (go ducks!) and earned two degrees in history and in theatre. After school I ended up working at a bank and got involved in the financial industry. I am now working as a financial advisor with Edward Jones where I have found my true calling. I love being able to help people achieve their financial goals. I have a brother and a sister both are younger. My brother is an engineer and went to Oregon State so we are a house divided. My sister is an EMT firefighter in Corbett.

My fiancé **Michael** is also a firefighter and is the operations chief in Hubbard. We have been together almost 3 years and are getting married in October. We met online believe it or not!

A rendering of the design for a "Healing Garden" at the Oregon State Penitentiary..

Our program today was presented by **Pam Wasson**. She is the first Executive Director of the Lord & Schryver Conservancy in Salem.

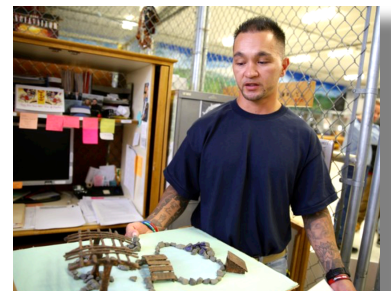

She is responsible for communicating and advancing the Conservancy's mission to preserve, interpret and steward the legacy of pioneering architects Elizabeth Lord and Edith Schryver for public enrichment.

Ms Wasson presented a program about the unique Healing Garden project at the Oregon State Penitentiary here in Salem. The garden will be an 85-by-55-foot experience tucked behind a prison housing building. It will include a koi pond, a small waterfall and a lotus garden. The Asian Pacific Family Club, one of the many internal clubs at the prison, took the lead, with the idea for a koi pond that eventually grew into an entire garden.

The concept is for a place within the walls to feel some sense of safety, some sense of peace and tranquility.
