GUEST SPEAKERS

Kelly Rath and **Jonathan Blanco** were our guest speakers today. They are with the Oregon Department of Corrections. Ms Rath's presentation handed out a fact sheet with figures that included prison population forecasts through 2024 where the forecast is 15,388 from today's 14,819.

Mr. Blanco talked about the OSCI Hobby Shop where inmates make beautiful handcrafted products such as the purse shown here. Inmates become business owners at the facility. In this program inmates learn how to manage and operate a small business, pay taxes, receive business education, and give back to victims and the community while working towards responsible citizenship.
