THE NEWSLETTER OF THE SALEM KIWANIS CLUB

Serving the greater Salem Community for over 92 years

**T**oday's meeting started early with several members arriving around 10 am to help with stuffing trauma dolls for Doernbecher Children's Hospital. When finished, we will be donating over 100 dolls. **Marty Hallauer** handed out several vases with roses to some of the folks who have helped out on this project.

After the meeting started we sang our famous "Welcome Guest" serenade to four guests including **Jim Fahlstrom's** wife **Mary**, and three young men, all three have been to a meeting before, **Duane Silbernagel**, **Chris Allen** and **Ben Hopper**.

Lt. Governor **Barbara Chesbrough** reported on the upcoming Region Five Conference in Vancouver on March 15.

**Richard Chesbrough** reported that the snow over the weekend had a chilling effect on the Roadster Show with attendance down to a precious few. Even so, he, along with **Bill Hansen** and **Ray McKee** sold about \$500 worth of Mustang Raffle tickets, mostly to the roadster car owners at the show. And **Ray** was the Raffle Prize winner today.

## Guest Speaker

**T**oday's guest speaker was **Geoff James**. He is an architect with over 50 years of experience both in the U.S. and the U.K.

Mr. James posed the question...Should upwards of \$80 million be spent, and tax payers pay, for upgrades to the city hall, library and police headquarters in Salem? Certainly seismic upgrades should be done to ensure safety in the event of a major earthquake, but what the city is proposing would also include building an underground structure for housing over 200 police vehicles. Vehicles that would be trapped underground when an earthquake occurs.

**Salem Community Vision** is a group of citizens who are committed to an open public process to explore alternatives to what the city officials are planning. Mr James is a concerned citizen involved with this community group. He is urging folks to get involved and let the powers that be know that this plan should go back to the drawing board. Salem needs a better solution.
