THE NEWSLETTER OF THE SALEM KIWANIS CLUB

Serving the greater Salem Community for over 92 years

KOD Bill Stortz was our KOD today. Bill will be 90 years old on July 22, 2014.

Bill was born in Brownsville Oregon. His family moved to Salem when his older brother needed

to be boarded at the Salem School for the Deaf. Shortly after moving to Salem, Bill contracted polio. He says the only "treatment" for polio at that time was lots of hot baths. And he was in a lot of hot water with his mother and his aunt who helped his mother.

Bill's goal as a young boy was to have a paper route, but he needed a bicycle for that so he entered a contest and won a bike! He also sold magazine subscriptions and eventually went to law school at Willamette University and made a good living as a Salem attorney. Bill retired in 2004.

Today was Earth Day and we had a very appropriate guest speaker. **Michelle Cordona** is Executive Director of the Straub Environmental Center

Straub Environmental Center*

The Center was designed and built through a unique partnership between the Salem-Keizer School District, the City of Salem and the non-profit organization, the Friends of Straub Environmental Learning Center (FSELC), in 2004. Today, the center houses FSELC's base of operations as well a classroom for North High School.

here in Salem. The Straub Center offers field trips and hands on classes for students and adults alike, all designed to heighten education, concern and respect for Oregon's beautiful environment.

The Straub Center also functions as a showcase of sustainable building and landscape practices. The stream bank setting is an ideal site for students of all ages to learn about watersheds, riparian areas, water quality and their importance to an increasingly urban environment.
