Program -Bush Elementary School

SALEM KIWANIS KLIPPINGS

THE NEWSLETTER OF THE SALEM KIWANIS CLUB
Serving the greater Salem Community since 1921

Our featured member today was **Jim Fahlstrom**. Jim pointed out that, in the past, Salem was a city with lots of industry.

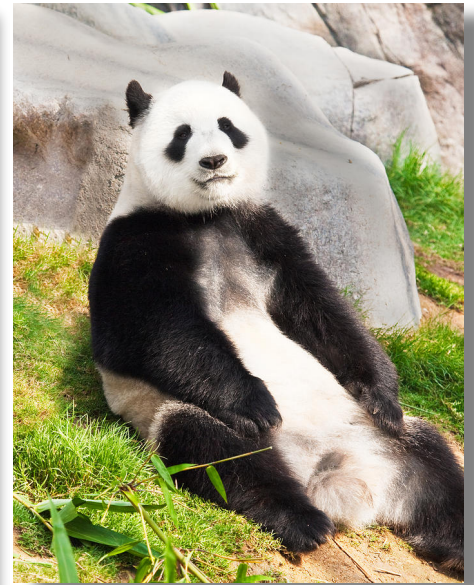

One of the major industries was the paper mill where he worked for many years. The paper mill was built in 1920 and thrived for many years here in Salem. The operation was shut down in 1982.

For his fining session, Jim asked trivia questions about Major League Baseball. One of the questions was which two cities have the oldest stadiums in the country. Answer - Boston and Detroit. A question he did not ask was...Who was a pitcher who had no right hand?

Our guest speaker today was **Elaine Ferguson** who spoke and showed photos of her trip to Chengdu China where her son teaches English as a second language. When she arrived her son took her on a tour of the city with its contrast of old and new architecture. The “New Century Global Center” is a huge modern building with many high-end stores and restaurants, a hotel and one huge water park inside

On the second day they had a visit to the panda breeding center.

The giant panda also known as panda bear or simply panda, is a bear native to south central China. It is easily recognized by the large, distinctive black patches around its eyes, over the ears, and across its round body.
