# SALEM KIWANIS KLIPPINGS

THE NEWSLETTER OF THE SALEM KIWANIS CLUB  
Serving the greater Salem Community since 1921

Our guest speaker today was **Maureen Bock**, OReGO Program Manager. This Oregon Department of Transportation volunteer program is designed to study the feasibility of a “user pays” method of generating funds to maintain and improve roads and bridges in Oregon. Ms Bock noted that Oregon is at the forefront of an innovative program that other states are interested in following.

With the increasing fuel efficiency of today's vehicles, fuel taxes going to road maintenance have declined. Another way to pay for future improvements needs to be found. The OReGO per mile usage charge is designed to have all drivers pay their fair share for maintaining & improving Oregon's highway system.

## OREGO

Diminishing fuel tax returns led Oregon decision-makers back to the drawing board to create a fair, reliable source of revenue to fund transportation projects for all Oregonians. The result is OReGO. Here are the details:

- OReGO volunteers will pay a road usage charge for the amount of miles they drive, instead of the fuel tax.
- The OReGO road usage charge is set at 1.5 cents per mile.
- Volunteers will receive credits on their bill for the fuel tax they pay at the pump.
- Volunteers will have their choice of secure mileage reporting options offered by OReGO's private-sector partners.
- Volunteers' personal information will be kept secure and private.
