KLIPPINGS

THE NEWSLETTER OF THE SALEM KIWANIS CLUB

Serving the greater Salem Community for over 92 years

Our guest speaker today was **Sue Riehl**. She is the Youth Program Manager with the Oregon Department of Transportation. In August of this year she will have been employed by the State of Oregon for 25 years.

The Youth Safety Program strives to save lives and reduce the costs of injuries throughout the state. Various programs by the safety division help to educate both parents and children on being safe on the roads and highways.

The Youth Program consists of the 0-14 age group and the youth drivers group, ages 15-20. These programs include bicycle safety and educating children on taking care of their own safety by always wearing helmets when on a bike.

KOD

Richard Chesbrough was our KOD today. He is married to **Barbara Chesbrough** and is the co-owner of the **Willamette Queen**.

Richard was born in Massachusetts on December 31, 1940. While in college he

had a life changing experience while driving in a snow storm and made plans to move away from snow country. Richard moved to California to finish college. His first job after college was as a salesman for IBM. Richard was one of the youngest IBM salesman in 1963 and he sold the iconic Selectric typewriter to schools and businesses.

Richard was a top salesman for the IBM Selectric typewriter in the good old days.

The new Salem Kiwanis Club brochure is now available.
