# SALEM KIWANIS KLIPPINGS

July 30: Featured Member - Bob Repine  
Program -Northwest Senior & Disability Services

THE NEWSLETTER OF THE SALEM KIWANIS CLUB

Serving the greater Salem Community since 1921

*Bob Tribotti's high school graduation photo. Where did all that hair go?*

## Featured MEMBER

Our featured member today was **Bob Tribotti**. Bob talked about living in Southern California and seeing celebrities in a variety of situations.

One of the celebrities, **Martin Milner**, actually was a client of Bob's. Bob designed stationery for Mr. Milner. Bob got to meet & shake hands with his boyhood hero, **Roy Rogers**. Other celebs he mentioned were: **Steve Allen**, not a great encounter, **Fred Astaire** and **Helen Hayes**, **George Clooney**, **Lloyd and Beau Bridges**, **James Garner**, and Mayberry's **Andy Griffith**. Bob took candid photographs of **Jim Jordan** when he got his star on Hollywood Blvd.

Bob shared an elevator ride in Hollywood with **Orson Welles** and when Bob moved to Oregon, he got to meet and become friends with the great **Marlon**, the famous disc jockey of *Frankie and Johnny* movie fame, otherwise known as **Gordon Belson**.

Bob asked trivia questions about **Steve Jobs**.

## Member SPEAKER

Our speaker today was **Barbara Cbesbrough**. She presented a video highlighting the Apollo 11 flight 50 years ago when she worked at UCLA in the Engineering Executive Program. Some of the students who worked for JPL, Jet Propulsion Laboratory, got Barbara a pass to watch the launch on a huge TV screen the size of an entire wall. She also was presented with a collection of mounted color photographs with scenes from the launch and landing on the moon.

*The crew of Apollo 11 (from left to right): Neil Armstrong, Michael Collins, and Edwin ("Buzz") Aldrin.*

*Members of the Kennedy Space Center government-industry team rise from their consoles within the Launch Control Center to watch the Apollo 11 liftoff through the large windows at the back of the firing room. Among those pictured is American aerospace engineer, JoAnn H. Morgan (seated center, with hand on chin, see arrow) who, at the time, was NASA's only female engineer.*
