# SALEM KIWANIS KLIPPINGS

October 8 - Featured Member - Del Funk  
Program -To be announced

THE NEWSLETTER OF THE SALEM KIWANIS CLUB  
Serving the greater Salem Community since 1921

Our featured member today was **Don Ferguson**. Don was the youngest child in his family of six kids. He learned to help in the kitchen lending a hand or two in cooking as his older brothers helped his father with chores. In addition to cooking he also learned the almost forgotten skills of canning. Not too many families today would know the first thing about that traditional food preservation.

Don was born in the “conservative town of Liberal Kansas.”

*Liberal Kansas, date unknown*

Our guest speaker today was **Kelly Carlisle** who was named the new executive director of the Salem-Keizer Education Foundation on Aug. 2, 2019. The foundation is widely known for two signature events, its annual Awesome 3000 fun run for Kids and the annual Crystal Apple Awards. Carlisle served as a district administrator in Salem-Keizer for ten years until he retired in 2018.

As reported in The Statesman Journal... “as district assistant superintendent, he supervised K-12 education and student services, taking part in efforts to promote educational equity, increase career and college readiness, and maintain positive school and community relations, officials said. In his earlier post as the director of high schools, officials said he worked with principals to improve equitable student participation in Advanced Placement and International Baccalaureate courses, access to college credit for high schoolers and to increase the graduation rate and re-engagement of students who had dropped out.”

He feels that one of the best things SKEF does is the Awesome 3000 where kids have a great time and join together for fun and are rewarded with t-shirts, medals, new books and high fives.

His goal for the future in this community of 65 schools, 42,000 kids and a population of 209,000 in Salem and Keizer is to bring the community closer to kids and the kids closer to the community.

His early school experiences including his musical skills were key to his feelings of belonging to a greater effort than just one’s self.
