KOD

Client Entry
Rendering of the new facility coming to Salem

Dan Clem was our guest speaker today. Mr. Clem is Executive Director of Union Gospel Mission. Their website says it all:

“Helping men, women and children break free from homelessness through the transforming grace of Jesus Christ.”

UGM has helped men, women and children for 65 years here in Salem. They have seven different facilities including **Simonka Place** in Keizer for women and children.

Housing is their number one issue. They serve about 600 meals per day and provide about 150 beds a night at the men’s facility.

Wayne Frey was our KOD today. He is an avid cyclist, not a biker but he does ride a bicycle, a lot.

From 1817 to 1819 the bicycle was called a draisine or velocipede. Wayne has taken up cycling since moving to Salem about 3 years ago. He demonstrated all the clothing and equipment he needs to go for a bike ride. Wayne is 61 years old and he noted all the health benefits of cycling, such as the fact that riding a bike will burn some 540 calories per hour. Starting with the feet, toe warmers go on first then inner and outer shoes and inner and outer pants and tops with pockets to carry a variety of “stuff” like tools, lights, music player, etc. Also very important is head coverings including the all important helmet and gloves, all brightly colored to easily be seen.
