

KIWANIS de AMIGOS RELAYS VOLUNTEER OPPORTUNITIES

On April 12, Kiwanis de Amigos will host the largest track and field meet for middle schools in Southern Arizona. Over 700 athletes from 25 to 30 middle schools from as far away as Yuma, Coolidge, Sells, Nogales and Sierra Vista participate, and there is no cost to the schools or athletes.

U of A track officials volunteer their time to help run the Relays. To undertake an event of this magnitude, we need volunteers to ensure a successful day for the kids and their families.

We offer three types of volunteer opportunities:

- **Support Activities**—Check-in desk, parking, scoring, awards, delivery of race results, photographers, delivery of food for volunteers and staff, and site clean up

- **Races**—Participate as a timer or deliver race results to scoring staff

- **Field Events**
 - High Jump—Adjust pole heights, replace poles after jumps, and record results
 - Long Jump—Measure jumps, rake pits, and record results
 - Shot Put—Measure distance, return shot puts, and record results

Interested volunteers may contact the Relays Volunteer Coordinator, Bob Mola at robertmola3744@comcast.net or telephone number 508-965-8616
