## MANCHESTER, NH

**The Kiwanis Club of Manchester** is a group of community-oriented people dedicated to enhancing, enriching and improving the lives of children and youth in the city. We do this through community service projects, fundraising efforts, and partnerships with area schools and organizations.

### **Major Emphasis Grants (disbursed over 3-5 years):**

#### **Dental Care - \$125,000**

An RV was purchased and equipped with state-of-the-art examination suites and X-ray technology. Over 30% of the city's school kids benefit from this mobile clinic as this is often the only dental treatment they receive on a regular basis.

#### **Improving Courts and Recreational Opportunities - \$75,000**

Funded repairs and improvements to basketball and tennis courts in parks throughout Manchester. Some of these facilities were in such a state of disrepair, that they were considered too dangerous to be used. These courts serve thousands of youths and adults on a regular basis.

#### **Manchester Police Athletic League (MPAL) - \$75,000**

Supported sports and enrichment activities to benefit hundreds of at-risk youths who participate. MPAL's goal is to provide youth with a safe, positive environment where police officers serve as coaches and mentors.

#### **Girls Inc. - \$75,000**

Kiwanis helped fund the repair and upgrading of Lauren's Café, which feeds up to 60 low-income girls daily. Girls Inc. provides girls throughout NH with life-changing experiences and real solutions to the unique issues girls face.
