Kiwanis Club of Columbine

Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time.

Youth Groups – High School Key Clubs

Why Kiwanis

- “Kiwanis means service. Kiwanis means community. Kiwanis means caring. I joined Kiwanis because I can find all three in one place.” – New Member
- Our club consists of 70 men and women, some newly retired, others just starting their careers.
- Spouses and friends of members are encouraged to work on projects. It is a great opportunity for high school and junior high students to acquire service hours.
- No matter where you live, you can join our group. We welcome you!
- If you are looking for community service projects you can participate in, it is a great way to meet people and provide service to the community at the same time.
- If you are involved in the community and would like help with your project, we are always looking for new projects and leadership.
