CLUB OF SCARBOROUGH

Greetings from the Kiwanis Club of Scarborough!

Welcome to our first newsletter of 2026! We have many things to be grateful for and a brand new year filled with numerous resolutions. We're thrilled about the opportunities and plans that our club has for this year.

February was a month filled with love and a focus on Black History. We've been busy planning and promoting our upcoming Kiwanis convention in Toronto in April. Then in May, we hold our annual Pink Brunch fundraiser. This event aims to raise awareness around period poverty and raise funds for social causes that our club supports.

Membership growth remains a key focus for our club, and we look forward to expanding through various engagement channels, including social media. If you are searching for purpose or ways to make your time more meaningful, we warmly invite you to join our cause and support our community through positive engagement.

Message from Our President

Dear Fellow Kiwanians,

The Kiwanis mission is, “Improving the world one child at a time, one community at a time.” With our dedicated volunteers, we provide service hours and funding to community-building organizations and schools.

Thanks to Staples, the City of Toronto, C-Gaming, supporters of our “Pink Brunch,” and our donors, we have been able to distribute school supplies to public schools and deliver feminine hygiene and other personal care products to a local high school.

Now, with additional funding, thanks to the opportunity granted to us by the City of Toronto and C-Gaming, we can increase our support to organizations that are helping Scarborough’s children and youth thrive.

Our members are dedicated volunteers that possess joy and enthusiasm in their interactions with children and families. If you would like to join our passionate group, please contact: scarboroughkiwanisclub@gmail.com.

Together in service,

Frederica Joseph

President, Kiwanis Club of Scarborough

Our Club in Action

Our club is making waves, and we’re just getting started! Recently, we rolled up our sleeves for one of our impactful service projects, preparing over 100 meals at The Hub - Mid Scarborough to support and uplift members of our community.
