

KIWANIS CLUB OF BOWLING GREEN GUIDELINES FOR GRANT SEEKERS

Grant Request Instructions

The Kiwanis Club of Bowling Green is dedicated to changing the world...one child at a time. By working together, our club achieves what one person alone cannot. As a service club, we raise money and contribute volunteers to local causes that benefit youth and our community.

- Be sure to match your grant application with the correct Kiwanis committee. See the Request for Grant Funding for more details.
- Applications must be submitted on the Kiwanis grant form and in the requested format. We require a completion date and timeline.
- We will only consider requests from non-profit organizations.
- Grant recipients must submit a final report for the program detailing how Kiwanis funds were spent. Please use the final report form for this purpose. We *may* request copies of invoices. Photographs in digital format with the photo-release documents are appreciated.
- Any unspent funds must be returned to the Kiwanis Club for re-investment in the community.
- The Kiwanis Club of Bowling Green must be named/credited for funding the grant.

Please submit a completed **APPLICATION FOR GRANT FUNDS** to the Kiwanis Club of Bowling Green.
