To the Kiwanis Club of Mississauga,

On behalf of the entire Peel Behavioural Services program I would like to thank each and every one of the Kiwanis Mississauga South members for their very generous donation of the Staples Gift Cards to our program.

These gift cards will make a significant difference in enhancing the support we will be able to provide our clients who attend our educational workshops. One of our goals is to make gift baskets containing; coloured paper, markers, crayons, glue, stickers, scissors etc., which will provide the clients with the tools to complete the activities and crafts that will augment their learning. Especially during the Pandemic this will be a welcome support to our clients.

A card will accompany each basket that acknowledges that the gift basket was made possible through the generous donation of the Kiwanis.

It has been an absolute pleasure working with the Kiwanis. The staff team along with our clients have benefitted greatly from the additional support they have received through the Kiwanis donation to Peel Behavioural Services.

Thank you and enjoy your day.
