

On behalf of EveryMind and the young people we serve, a very big thank you to both of you for coordinating and to the Kiwanis group for donating the back to school items delivered to our office today. We are confident that they will be put to good use next week as young people in our community head back to school.

The past 17 months have been very difficult for everyone and young people are not immune to the fears, anxieties, and uncertainties of the crisis experienced with this pandemic. We are grateful to you for brightening up their day and for helping families with the much needed items for a smooth return to school.

Please pass our gratitude to the rest of your group. Many thanks and best wishes for good health.
