Kiwanis Club of Mississauga

On behalf of the 6th Erin Mills Scouting group and all the families you have positively influenced, I would like to formally thank the Kiwanis Club of Mississauga for your commitment to the 6th Erin Mills Scout Group.

Running a successful Scouting program requires many hands. By providing significant funds to our Scout Group, your organization has positively impacted many youth in our community by helping us provide a wide variety of activities at a lower cost per person. This Scouting year we are running at least 6 Scout camps, 3 Cub camps, 3 Beaver camps, many community events as well as all family activities to engage parents as well as friends and relatives in the Scouting program.

Your continued sponsorship of the 6th Erin Mills Scout Group has supported strong traditions and helped prepare many youth to be the leaders of tomorrow.

Please accept the attached certificate as a token of our appreciation.

Thank you for your dedication to Scouting.

Yours in Scouting,

Brian O'Shaughnessy
Group Commissioner
