**Saturday, May 24 | 8:00am - 2:00pm**  
 Ace Hardware and Pick 'n Save

### Symbolism of the Poppy

The red petals stand for the vast outpouring of blood; the green and black center, the mud and desolation of all battlefields.

The green of the stem is symbolic of the forests, meadows, and fields where generations of Americans have perished to make this land free.

The stem represents the courage and determination of our fallen warriors.

The assembled product, a flower, is a symbol of resurrection which is sure to follow.

## Deep Inner Thoughts....

- If you keep trying to prove Murphy's Law, will something keep going wrong?
- What happens if you're scared half to death twice?
- Why is it when you forget you can remember you forgot?
- If you had everything where would you keep it?
- Why does it seem that whenever we finally get it all together we forget where we put it?
- How did I know I was wrong when I thought I was right?
- If Nobody's perfect and I am Nobody does that make \*me\* perfect?
- If someone is always better then why try to be the best?
- If you cannot change your mind are you sure you have one
- Are you really going the wrong way on a one-way street if everything is coming your way?
- If your imaginary friend thinks your imaginary would that make you a figment of your imagination and therefore make you not exist?
- If you are afraid there will not be enough misery to go around would you be considered a pessimist?
- Did you ever consider that if you're not leaning then no one will ever let you down?
- Why is it that whenever you don't want to be involved in something you end up MORE involved?
- Why is it that the people who can't control their own lives are always the ones who are trying to control yours?
- If you are a complete pessimist does that mean you are positively negative?
- Isn't it true that you must give up the way it is to have it the way you want?
- Is injury the ingenuity of necessity?
- Have you ever wished you were what you were when you wished you were what you are now?
- What if you went there but there was no there there?
- If you say no to everything would you be a persistent resistant?
- If you didn't make People Magazine's list of the 50 Most Beautiful people, do you assume you were number 51?
- Why do people tell me I'm conceited? Isn't conceit when you think that you are better than someone else? I know that I'm better, so I'm not conceited, right?
- Do you ever wonder if there is any connection between your reality and that of others? And if there is, are any similarities purely coincidental?
- If you became a mere shell of your former self, would you be able to hear the ocean all the time?
- If you were another person, would you like to be a friend of yours?
- If I were you, who'd be me?
- Why do we want what we can't have more than what we can have?
- Why be Vanilla all your life when you can be Rocky Road?
- Isn't everyone entitled to my opinion?
- Isn't it better to write for yourself and have no public, than to write for the public and have no self?
- Isn't living with a conscience a lot like driving a car with the brakes on?
- Are you choosing what you want from life?
- Do you ever have the feeling like you're being watched? And then you find out that you ARE being watched? And then you get the feeling like you were right?
- Isn't it true that the less you talk, the more you're listened to?
- Can anyone really ruin your day without YOUR permission?
