### It's Been a Lot of Firsts for Our Club

This last quarter has seen our Kiwanis Club do so many awesome things including a number of firsts. Our September Community Activity Fair brought organizations and residents across the municipality together at the Kiwanis Pavilion. An opportunity to share information and recruit potential volunteers. More on the event's success is captured on page 6.

Another first for our Club and the Municipality was the installation of a Disc Golf Course at the community's recreational area. Fellow Kiwanians and volunteers turned out to dig holes, install posts and nets and layout a 9-hole course. Another great free activity for families, children and even those with a bit of a competitive streak. More on this initiative can be found on page 7.

On August 18<sup>th</sup> we hosted a **Sold Out** Chicken BBQ. This event has become so popular that we sell out well in advance. Although product prices have increased, we elected to not change the price of our dinners in a show of support for those who may be struggling. Again we are grateful to all the members who come out and give of their time to making this event so successful and that includes the many Friends of Kiwanis who always lend a helping hand. Page 2 captures all the action

Dean Walsh and PP Bruce Bateman joined by many others tending to the racks of simmering half chicken BBQ. Thank you to the Friends of Kiwanis for lending a helping hand!

Far right we find PP Larry King with hose at the ready.

K Michael York, VP Janice McConnell & PP Chris Foran sitting on their laurels while everyone around them is busting their butt. Okay they are taking tickets and calling the orders in as the cars arrive...crucial to a smooth running operation!

Fellow Kiwanians on the packaging line...what an awesome Team! Okay ...so this is the group I work with! Perhaps I am a little biased.

**Note from the Editor:**

Fellow Kiwanians, if you have a story you would like covered then give me a buzz or submit your article as a guest reporter. Our next deadline for all submissions is December 21. PE Don DeGenova

Remember to use your phone/camera to take pics for our Newsletter and Facebook posts. Both are important vehicles for promoting Tweed Kiwanis and for developing an historical archive. Thanks to all those capturing all the action and reactions!

## PP Dave Cronhielm On Why I am a Kiwanian

PP Dave Cronhielm and his best friend/wife Carol love to travel having visited 59 countries in their 56 years together. Their favourite destination is South America.

Dave was born in November 1942 in Brantford Ontario. His father was a United Church Minister and his mother was a nurse. He has one sister. The family moved around a lot living primarily in rural communities. Dave fondly reflects on those days working in farmer's fields and loving the wide open spaces of rural country living. His father passed away in 1982 and his mother in 1998.

PP Dave attended Queens University in 1961 studying mathematics and philosophy. He also spent a brief stint in the military. In 1965/66 he attended Toronto Teacher's College and after graduating dived right into what was a most rewarding career. He spent his first nine years with the Toronto School Board. It was at this time that he met Carol, also a teacher. In 1967 they got hitched and have now been married for 55 years. They have two children, a daughter Karin now living in Burlington and a son Mathew living in Belleville. They also have two wonderful grandchildren.

After his nine years with the Toronto Board, PP Dave took on a two year secondment with Sir James Witney School for the Deaf (formerly the Ontario School for the Deaf). Upon completing that assignment, Dave moved to the Scarborough Board where he taught for 22 years. He found this part of his career the most rewarding working with special education students. Dave notes that these were often children who had a run in with the courts and had a hard life. He loved working with them in an effort to turn their loves around. Dave reflects: "They were good kids. They just got in with the wrong crowd."

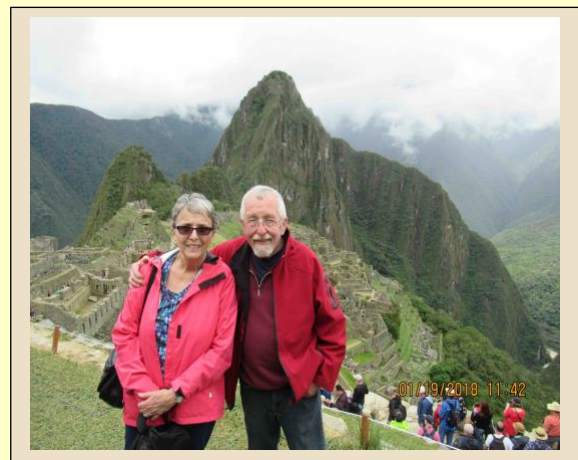

Dave loved teaching math so much so that he moonlighted writing math text books. Dave retired after 33 years of teaching.

Dave and Carol bought their current Tweed home in 1990 while they were both still working. Their plan was to retire here and they did so in 2000. Dave wanted to

get back to his country roots and the Municipality of Tweed brought back wonderful memories.

In 1999 Dave started reaching out in the community for opportunities to meet people. They both joined St. Andrew's Church and Carol joined Beta Sigma Phi Sorority. K Chris Forbes recruited Dave to join the Tweed Kiwanis Club. Chris was actually a former principal at one of Dave's schools. It didn't take PP Dave long to become actively engaged as a club member serving as president in 2003 and 2010. Dave was also on the original Pavilion Committee, editor of the club newsletter for 10 years and was a member of the Meals on Wheels Kiwanis/Community Care Program for 20 years. Wow...it was a luck day for Tweed when Dave and Carol decided to make our community their new home.

PP Dave loves the social side of the club. "It gets me out" he notes. And then Covid hit and the outings stopped. Dave is now a happy camper since we are back to meeting in person. Dave loves Kiwanis because "we are needed and we perform a very necessary function which is providing opportunities for all children. Our club has done some amazing things."

## Our First Ever Community Activity

Thank you to our Membership Committee PP Peter McConnell, PLG Marj Buck, K Michael York, PP Leo Fobert, PP Gerry Feeney & K Larry Cook for organizing this amazing event at the Kiwanis Pavilion on September 10, 2022.

The idea came from K Michael York who was involved with a similar event in a former community. It was a wonderful way to bring all organizations seeking volunteers together under one roof. An invitation was extended to all residents to come and meet with the various groups and to find out about their community events, what they do and the volunteer needs they have. No decisions to join were required that day. Just take the information home and think about which might be the best fit for you.

25 organizations participated!:

- Army Cadets; Foundations Youth Centre; Heart of Hastings Hospice; Kiwanis Club of Tweed; Land o' Lakes Curling Club; Little Learners of Tweed; Municipality of Tweed; Quinte Field Naturalists; Quinte Society for Chamber Music; St. Andrews Presbyterian Church; Tweed & Area Arts Council; Tweed & Area Chamber of Commerce; Tweed & Area Historical Society; Tweed & Company Theatre; Tweed Hungerford Agricultural Society; Tweed Horticultural Society; Tweed Lions Club; Tweed Music Festivals Inc./Tweed Elvis Festival; Tweed Public Library; Basket Weaving; Exercise classes; Pickleball; Shuffleboard; Square Dancing.

All agreed that this will become an annual event! Another great initiative brought to you by Kiwanis.

## The Objects of Kiwanis

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Kiwanis International Convention in Denver, Colorado. Through the decades, they have remained unchanged.

- 1: To give primacy to the human and spiritual rather than to the material values of life.
- 2: To encourage the daily living of the Golden Rule in all human relationships.
- 3: To promote the adoption and the application of higher social, business and professional standards.
- 4: To develop, by precept and example, a more intelligent, aggressive and serviceable citizenship.
- 5: To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities
- 6: To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and good will.
