Building a Future One Youth at a Time

Our program on December 7th was presented by Mrs. Alma C. Horne, Graduation/Career Coach for the Palm Beach County Schools

Department of Dropout Prevention/Alternative Education. She provides oversight, assistance and educational to Five Juvenile Justice Programs and Four Youth Services Programs - DJJ/YS. The primary goal of DJJ Programs is to provide a high quality education to students, while providing a safe, secure and nurturing environment. Youth Services (YS) programs are designed to serve students who are

attending a rehabilitation program funded by a county commission, private corporation or Sheriff's office. The programs are coordinated to help these children to not only graduate high school, but to become productive citizen's after graduation. The Graduation/Career Coach creates a career and post secondary resource guide for students and parents/guardians with Palm Beach County Career Centers, post secondary schools, business partners, community resources and local mentoring programs. Contact The School District of Palm Beach County to learn more about these important programs. You can also email Mrs. Horne at alma.horne@palmbeachschools.org.

Delray Beach Replacement Pavilion Coming At A1A & Atlantic Avenue

Our speaker on December 14th was Robert Currie, who is the architect for the Delray Beach Replacement Pavilion project. The replacement of the pavilion at A1A (Ocean Blvd.) and Atlantic Avenue marks the beginning of the Implementation Phase of the Beach Area Master Plan.

The Beach Property Owners' Association is raising funds in an effort to get the Beach Pavilion built as soon as possible. At their recent fundraiser "Delray's Got Talent" they

raised over \$35,000. They still have a long way to go to reach their goal of raising the \$240,000 needed to build the Pavilion. The final cost will actually be lower since they have also received offers from local contractors and businesses to contribute landscaping, labor and other materials. For more information call the BPOA at 561-276-2632 or E-mail:

A married couple had been out Christmas shopping at the mall for nearly all of the afternoon, when suddenly the wife realizes that her husband has "disappeared". She scoured the mall looking everywhere for him, and finally the completely irate wife called his cell phone and demanded: "Where in the hell are you?"

Husband: My darling, do you remember that beautiful jewelry shop where you saw the diamond necklace that you absolutely fell in love with, and because I did not have the money at that time, I said baby it will be yours one day.

Wife: With a huge smile and now blushing answered. Why yes. Yes, I do remember that my loving and thoughtful husband.

Husband: Well, I'm in the Pub next door to that shop.

Do You Know Me?.....

Yes, one might say it's good 'ol Ray Osterlund.

However, at our December 28th meeting, your fearless editor mumbled something about our club needing a Vice-President. Ray immediately raised his hand (Yes, we have lots of witnesses) and said I'll do it for the length of the meeting. Well, wouldn't you know, that meeting was never officially adjourned and it appears that it will run all the way to next October.....So,

**Congratulations
Mr. Ray Osterlund, Vice-President!**

IN MEMORIAM

With all the sadness and trauma going on in the world at the moment, it is worth reflecting on the death of a very important person, which almost went unnoticed last month...Larry LaPrise. The man who wrote the "Hokey Pokey", died peacefully at age 93. The most traumatic part for his family was getting him into the coffin. They put his left leg in, and then the trouble

December 7th Meeting: Jay (AKA "The Commish") Alperin did a masterful job collecting Happy Dollars today. Ezra Krieg was "Thrilled". Jeff Goldman was happy the Miami Heat are back playing. Doug Martin said he and Jody are happy to host the holiday party. Neil Rosen was happy to have David Corbin, the AHS Key Club President as a guest. Ben Ruby put in multiple dollars for Susan (Who wasn't here), for missing too many meetings due to eye surgery AND he shot an 81 in golf! Ray Osterlund was happy that the boat was working and finally "catching" fish.

December 14th Meeting: Everyone "Thanked" Doug & Jody Martin for hosting a terrific holiday party. This includes those who didn't even make it to the party. In addition, Ray Osterlund congratulated Doug for his Master Dart Throwing and Carlene Laseter announced the "Babies have arrived!" Ezra Krieg put in for missing the party and also gave a dollar for Terrill being late.

December 21st Meeting: We had a "Happy Holiday's" decree from everyone today. Ezra Krieg put in \$2 for his speaker not showing up. He forgot to send a reminder. Carlene Laseter had great news that her son and his family are relocating back to Florida from the Virgin Islands. Ray Osterlund had a "natural" late dollar, and Steve Rubin had a regular, plain old late dollar.

December 28th Meeting: It was the last meeting of the year. Many thanks for the dedication of the 9 members that attended and making our Kiwanis club one of the best: Jean Antin, Bob Barcinski, Jay Alperin, Ray Osterlund, Ezra Krieg, Brian Shutt, Barbara Schooler, Regina Sablo and Scott Youngberg. Everyone put in for the New Year, hoping 2012 is the best. Jay Alperin and Bob Barcinski also put in for surviving the holidays with their grandchildren, and Ezra Krieg put in an extra one for those New York Jets to lose to the Dolphins.

Happy New Year Everyone!

Interclubs

Steve Rubin, Chairman

Holiday Greetings!
A happy and healthy New Year to all!

We had an "Almost" Interclub!

We attempted to have an Interclub in December at the Boca Raton Sunrise Kiwanis club. We had four members ready to go...**Ezra Krieg, Regina Sablo, Alberta Rickard and Scott Youngberg.**

But alas.....A quick phone call to the club's President to confirm the meeting revealed that there will not be a meeting until after the New Year. I will be contacting them to re-schedule. Thanks to all this past year for your participation.
Let's make it 100% in 2012!

Best regards,
Steve Rubin, Interclub Chair

Let's All Work On "Recruiting new members"

Our club does so much good for the community, why wouldn't someone want to join? Maybe that someone doesn't know about Kiwanis. Maybe that someone needs to be invited.

Recruiting new members is about sharing the Kiwanis message, telling of your club experience and asking them to join you in service. These tips and tools will show you how.

Prospect lists

Can't figure out who to ask? Create a list of people you know who would benefit from membership in our club. Be sure to include names you've gathered during community events.

Customized club brochure

Educate your prospect with a club brochure. Ask me for one if you don't have it.

Recruitment Tip - Look the part.

Wearing your Kiwanis pin, shirt, etc. is an easy way to promote Kiwanis and get the attention of prospective members. Be ready with your elevator speech if someone asks about Kiwanis.

50/50 Winners: Here are the holders of the "Winning Tickets" for last month:

December 7 - Scott (The man) Youngberg

December 14 - Steve Rubin

December 21 - Ray (I'm not late) Osterlund

**December 28 - Barbara Schooler
(Gave to AVDA)**

The Last Meeting Of The Year

Carole Lee, wife of Florida Governor Eddie Lee, has announced that this year's First Lady's project is **CureSearch for Children's Cancer.**

CureSearch is a national non-profit foundation which funds the lifesaving, collaborative research of the Children's Oncology Group (COG), the world largest cooperative children's cancer research entity. Money raised supports bench-to-bedside research which includes developing studies, enrolling and treating patients and interpreting the results of the clinical trials.

CureSearch raises funds through individuals, special events, corporations, and private foundations. Charitable giving is especially important now, as federal funding for children's cancer research has been flat for the last decade, and was reduced by five percent in 2011.

OTHER DOINGS.

At our meeting on the December 21st, **Jean Antin** announced that she was able to buy 2 hams for AVDA to celebrate the holidays. The money came from our 50/50 drawings. How 'bout that!

Our club wants to express their sincere thanks to **Doug & Jody Martin** for hosting our Annual Holiday Party again this year. A great time was had by all.

A truck driver was driving along on the freeway and noticed a sign that read: Low Bridge Ahead. Before he knows it, the bridge is right in front of him and his truck gets wedged under it. Cars are backed up for miles. Finally a police car comes up. The cop gets out of his car and walks to the truck driver, puts his hands on his hips and says, 'Got stuck, huh?' The truck driver says, 'No, I was delivering this bridge and I ran out of gas.'

by Alan Penn, *President, Kiwanis International*

KIWANIS GIFTS

Everyone enjoys getting gifts. No matter the type, shape, size or cost of the gift, we all like receiving them. It makes us feel good, appreciated, liked. As Kiwanis members, we're good at giving gifts. We give books to children, clothes for families and food to the hungry. We give disposable razors to homeless men who need a shave. We give toys to tots. We build playgrounds for our communities. We love to give BUG certificates. And the list goes on and on.

We are a gift-giving group of volunteers. It's this quality in all of us that helps people in our communities see that Kiwanis is a service organization that cares. As my wife, Jeri, often says to me, "We give to others in return for the many blessings we have received." This year in Kiwanis we've demonstrated that we have a special gift for mothers and their children in 39 countries. That gift is our support to eliminate maternal and neonatal tetanus. It is one more way we show the world that our Kiwanis gifts are life changing.

But there is one more gift we all can give. It is the gift of membership to community members who can help us expand our sphere of service to others. This in many ways can be our greatest gift. The gift of asking others to join us in serving children and families. The gift of asking others to join us in our fellowship with like-minded volunteers who will make a difference within our communities.

So keep on giving those wonderful gifts to others. But please help us by giving one of the greatest gifts Kiwanis has to offer: the gift of membership in the greatest community-service organization in the world dedicated to improving the lives of children and families.

Join us in giving that special gift of membership today.

Yours in Kiwanis Service,

Alan and Jeri Penn
